Dear Mr. Spencer:

The Division of Communications has completed its evaluation of Verizon Virginia's tariff filing received on June 12, 2008 regarding residential BLETS service in the Hopewell and Petersburg exchanges, and business BLETS individual line service in the Hopewell and Petersburg exchanges. This was filed pursuant to the administrative process authorized by the Commission's December 14, 2007 order in Case No. PUC-2007-00008.

Tariff pages included in this filing are:

SCC Tariff No. 202		SCC Tariff No. 220	
Section 2	22nd Revised Page 6	Section 1B	2nd Revised Page 1
	18th Revised Page 8	Section 1C	3rd Revised Page 1

We analyzed the supporting documentation submitted by Verizon as well as other available information regarding competitors in these exchanges, and have determined that these exchanges meet the competitive test criteria set out in the aforementioned order. As such, these tariff pages are accepted for filing to become effective on July 28, 2008.

Very truly yours,

William Irby
