COVERAGE CHANGE REQUEST FORM
Individual LTC Insurance Policy for [First Name] [Last Name]
Policy # [XXXXX]
John Hancock Life Insurance Company (U.S.A.)

We are offering you a one-time opportunity to elect your personalized option.

If you choose to make no changes to your current coverage, no action is required and your new increased premium will be effective on **[Month XX, YYYY]**.

If you choose to change your coverage, you must select an option listed below, sign and return this Coverage Change Request Form by **[Month XX, YYYY]**.

Step 1: Select an option (please choose only one option)

For more details, please see your Options Worksheet. [**In some instances, certain changes are subject to Partnership regulatory benefit minimum requirements and may result in a loss of Partnership status.**] As a reminder, you may have alternative options available to mitigate the premium increase. For more information, please call John Hancock at **[888-654-6582]**.

COVERAGE CHANGE OPTIONS	
☐	Reduce your future annual inflation rate from [5%] to [X.X%].[*]
☐	Reduce your [daily/monthly benefit] from $[XXX] to $_____
☐	[Reduce your Benefit Period from [X-year] to _____]
☐	[Increase your Elimination Period from [X days] to _____]
☐	[Remove the following optional rider(s) from your policy:_____]
☐	[Exercise the [Nonforfeiture Benefit/Contingent Benefit Upon Lapse] available on your policy.]
☐	[Cancel your coverage. This change will be effective immediately.]]

[*Important: Reducing your future annual inflation rate will result in the loss of Partnership status and your policy will no longer qualify for Medicaid Asset Protection. If you wish to retain Partnership status, do not elect this option. Other options to help minimize the increase and retain your Partnership status may be available to you. For more information, please call John Hancock at [888-654-6582].]

Step 2: Review Agreement and Acknowledgement

I understand that my benefits and/or premium for those benefits will change based upon the option(s) I select.

I understand that premium rates are not guaranteed and may be increased again in the future if I am among the group of policyholders whose premiums are determined to be inadequate.

If I select an option(s) to change my coverage, I understand that, within 30 days of the date this change becomes effective, I may cancel the change in my coverage and return to my original coverage at the increased premium level.

I understand the policy change(s) I selected above. By signing below, I agree that any change(s) other than cancelling my policy, will be effective on my next policy anniversary provided this form is received by John Hancock by that date.

Re: Notice of Premium Rate Increase – Long-Term Care Insurance Policy No. [xxx]. **Decision required by [date].** John Hancock Life Insurance Company, U.S.A.

Dear [First Name] [Last Name],

John Hancock is committed to ensuring long-term care (LTC) insurance benefits will be there for our policyholders when they need them most. To uphold this responsibility, we continuously monitor the experience of our inforce LTC insurance policies. Our most recent analysis shows that policyholders are living longer than expected, LTC claims are lasting longer than expected, and that more policyholders than expected are claiming at older ages than previously anticipated. Unfortunately, based on this data, we have determined a need to increase premiums on this policy series to reflect that future claims are expected to be significantly higher on these policies than originally expected or priced.

Options to Mitigate the Premium Increase
We sincerely regret having to take this action and understand that a premium increase may not be affordable for some. **Therefore, <u>we are offering you an option to keep your premium at its current level</u> by reducing your future annual inflation rate and keeping all other benefits the same.** Please see the enclosed "Options Worksheet" for more information on this as well as additional options that will enable you to minimize the premium increase.

About the Premium Increase
Based on your current benefit selections, unless you elect the option <u>described in the above paragraph</u> or one of the alternative options described in your Options Worksheet, your premiums will increase from [current premium] to [new premium], [policy mode]. This new premium will be effective for premiums due on or after [next policy anniversary]. Please note this letter is not a bill.

The rate increase request was reviewed by Virginia's State Corporation Commission and was found to be compliant with applicable Virginia laws and regulations addressing long-term care insurance. All premium rate filings are available for public inspection and may be accessed online through the Virginia Bureau of Insurance's webpage at www.scc.virginia.gov/BOI. No individual has been singled out for an increase, nor is the increase due to a policyholder's advancing age or changing health. Our decision to increase premiums on certain policies is based upon the future claims anticipated on these policies. Please note that the decision to seek a premium increase on these LTC insurance policies has been made by John Hancock, not your insurance agent, nor the Virginia Bureau of Insurance. As a reminder, per the terms of your policy, premium rates are not guaranteed and could be increased again in the future, at which time similar benefit reduction options may be available to you. However, please be advised that John Hancock will not apply any additional premium rate increase to your policy for at least 36 months from your policy anniversary date of [next policy anniversary date].

Importance of LTC Insurance Coverage

As you decide which of the coverage options described in this letter works best for you, you may wish to consider the value offered by LTC insurance. The need for care can be one of the most significant challenges a person can face – both personally and financially. LTC insurance provides valuable protection that may not be available with your health insurance or from government programs.

John Hancock has seen the difference this insurance has made in the lives of our customers and their family members. We remain committed to delivering on our promise to provide the coverage, support and service, when and where you need care.

Next Steps

The enclosed Options Worksheet details your current coverage and provides options you can elect in order to help mitigate the premium increase. **Please be advised that all of the options available to you may not be of equal value, so please review this information carefully**.

- If you decide to reduce your coverage as outlined in the Options Worksheet, simply complete the "Coverage Change Request Form" and return it to John Hancock by **[Month XX, YYYY]**.
- If you choose to make no changes to your coverage, no action is required, and your new increased premium will become effective on **[Month XX, YYYY]**.

For Further Assistance

Again, we sincerely regret having to take this action, but we hope you find that the options provided are helpful. If you have any questions, please visit www.jhinfocenter.com or contact one of our customer service representatives at [888-654-6582], Monday through Friday from 8:00 a.m. – 6:00 p.m. Eastern Time. Frequently Asked Questions
Coverage Change Request Form

1. **Why do you need to raise premium rates — can you explain further?**
   When pricing a long-term care insurance product, insurance companies use the best available information at that time to predict how many policyholders might ultimately use the benefit in the future. This involves making certain assumptions about a variety of factors including: particular medical conditions, the expected lifespan of policyholders, the length of time policyholders keep their policies, and the cost of receiving long-term care services. If the actual experience differs in an unfavorable way from the expected experience based on these assumptions, a premium rate increase may become necessary.

   Our most recent comprehensive claims study, which we conduct every three years, examines the usage trends for our insured population. It indicated that, like many carriers in this business, we have seen increased claims. As compared to our previous analysis, the new data shows that policyholders are living longer than expected, their claims are lasting longer than expected, and more people than expected are claiming at the older ages. Based on that data, we have determined that there is a need to increase premiums on certain policy series to reflect that future claims are significantly higher on these policies than originally expected or priced.

2. **What is the policy provision that allows you to raise my premiums?**
   The provision that allows for an increase in premiums can be found on the front page of your policy. Your policy indicates that, while your insurance company cannot change coverage or refuse to renew coverage for reasons other than nonpayment of premiums, the company is allowed to change or increase premiums so long as the increase applies to an entire class of policies. We are required to file premium increases on policy series, along with actuarial justification, with the department of insurance in the state where the policy was purchased, and may only implement the rate increase once we are permitted to do so.

3. **Have I been singled out for this rate increase because of my age or health?**
   No, the increase applies to everyone who purchased the same long-term care insurance product you did. No individual has been singled out for an increase, nor is the increase due to a policyholder's advancing age or changing health. Also, your state has not been singled out, as all states are included in our rate increase process.

4. **If I no longer live in the state where I purchased my policy, does the increase still apply?**
   Yes. All LTC insurance policies are regulated by the original state in which they were written at the time of the purchase of the policy. That means that the state where you were residing when you purchased your policy continues to be the applicable state, even if you are now residing elsewhere.

5. **Is the premium rate increase due to the economic environment?**
   No. We are increasing premium rates solely due to our claims experience, which indicates higher-than-expected claims on your policy series in the future.

6. **Is there an alternative to paying higher premiums?**
   Yes. We are offering several benefit reduction alternatives and, in most cases, at least one option that will enable you to keep your premiums at or close to the same level as what you are paying today. The enclosed 'Options Worksheet' outlines your options. To further review these options, please contact one of our customer service representatives.

7. **Do I need to complete and return the enclosed Coverage Change Request Form?**
   The enclosed Coverage Change Request Form need only be completed and returned to John Hancock should you decide you want to adjust your benefits or cancel your policy. Otherwise, no action is necessary on your part, as the premium rate increase will take place automatically on the policy anniversary date specified in your letter.

8. **Will there be additional premium increases in the future?**
   Premium rates are not guaranteed and may be increased in accordance with the terms of your policy. We will continue to monitor our claims experience to determine whether future increases will be necessary.

9. **If I pay premiums through an automatic draft plan and my premium is changing, is there any action I need to take?**
   No. If you have an automatic draft plan established through John Hancock, we will adjust the drafted amount.

10. **If I pay premiums through online banking and my premium is changing, is there any action I need to take?**
    Yes. Please update your online banking payment information with the new premium amount prior to the rate increase effective date.

COVERAGE CHANGE REQUEST FORM

4. **If I no longer live in the state where I purchased my policy, does the increase still apply?**
   Yes. All LTC insurance policies are regulated by the original state in which they were written at the time of the purchase of the policy. That means that the state where you were residing when you purchased your policy continues to be the applicable state, even if you are now residing elsewhere.

5. **Is the premium rate increase due to the economic environment?**
   No. We are increasing premium rates solely due to our claims experience, which indicates higher-than-expected claims on your policy series in the future.

6. **Is there an alternative to paying higher premiums?**
   Yes. We are offering several benefit reduction alternatives and, in most cases, at least one option that will enable you to keep your premiums at or close to the same level as what you are paying today. The enclosed 'Options Worksheet' outlines your options. To further review these options, please contact one of our customer service representatives.

7. **Do I need to complete and return the enclosed Coverage Change Request Form?**
   The enclosed Coverage Change Request Form need only be completed and returned to John Hancock should you decide you want to adjust your benefits or cancel your policy. Otherwise, no action is necessary on your part, as the premium rate increase will take place automatically on the policy anniversary date specified in your letter.

8. **Will there be additional premium increases in the future?**
   Premium rates are not guaranteed and may be increased in accordance with the terms of your policy. We will continue to monitor our claims experience to determine whether future increases will be necessary.

9. **If I pay premiums through an automatic draft plan and my premium is changing, is there any action I need to take?**
   No. If you have an automatic draft plan established through John Hancock, we will adjust the drafted amount.

10. **If I pay premiums through online banking and my premium is changing, is there any action I need to take?**
    Yes. Please update your online banking payment information with the new premium amount prior to the rate increase effective date.

COVERAGE CHANGE REQUEST FORM
Individual LTC Insurance Policy for [First Name] [Last Name]
Policy # [XXXXX]
John Hancock Life Insurance Company (U.S.A.)

To minimize the premium increase, we are offering you an opportunity to elect a personalized option.

If you choose to make no changes to your current coverage, no action is required and your new increased premium will be effective on **[Month XX, YYYY]**.

If you choose to change your coverage, you must select an option listed below, sign and return this Coverage Change Request Form by **[Month XX, YYYY]**.

Step 1: Select an option (please choose only one option)

For more details, please see your Options Worksheet. [**In some instances, certain changes are subject to Partnership regulatory benefit minimum requirements and may result in a loss of Partnership status.**] As a reminder, you may have alternative options available to mitigate the premium increase. For more information, please call John Hancock at **[888-654-6582].**

COVERAGE CHANGE OPTIONS		New Premium Effective [next anniversary date]
☐	[Reduce your Benefit Period from [X-year] to [X-year].]	**$[XXX][policy mode]**
☐	[Reduce your [Daily/Monthly] Benefit from $[XXX] to $[XXX].]	**$[XXX][policy mode]**
☐	[Reduce your Benefit Period from [X-year] to [X-year] **and** [Daily/Monthly] Benefit from $[XXX] to $[XXX].]	**$[XXX][policy mode]**
☐	[Exercise the [Nonforfeiture Benefit/Contingent Benefit Upon Lapse] available on your policy.]	N/A
☐	[Cancel your policy. This change will be effective immediately.]	N/A

Step 2: Review Agreement and Acknowledgement

I understand that my benefits and/or premium for those benefits will change based upon the option(s) I select.

I understand that premium rates are not guaranteed and may be increased again in the future if I am among the group of policyholders whose premiums are determined to be inadequate.

If I select an option(s) to change my coverage, I understand that, within 30 days of the date this change becomes effective, I may cancel the change in my coverage and return to my original coverage at the increased premium level.

I understand the policy change(s) I selected above. By signing below, I agree that any change(s) other than cancelling my policy, will be effective on my next policy anniversary provided this form is received by John Hancock by that date.

Step 3: Sign and Date

Signature ([First Name] [Last Name]) **Date**

Step 4: Return this completed form using the enclosed postage-paid envelope by [Month XX, YYYY].

YOUR PERSONALIZED OPTION

To keep your premium at its current level, we are offering you a one-time opportunity to reduce your future annual inflation rate. The table below shows your current premium and the new premium you will be charged if you keep your current annual inflation rate. The table also shows what your reduced inflation rate will be if you choose the personalized option, which will only be applied to future inflation increases that occur after the rate increase effective date. All other existing benefits and previous inflation increases that have already been applied to your policy through the effective date of the inflation rate reduction will be maintained.

[**Important: Reducing your future annual inflation rate will result in the loss of Partnership status and your policy will no longer qualify for Medicaid Asset Protection. If you wish to retain Partnership status, do not elect this option.** Other options to help minimize the increase and retain your Partnership status may be available to you. For more information, please call John Hancock at [888-654-6582].]

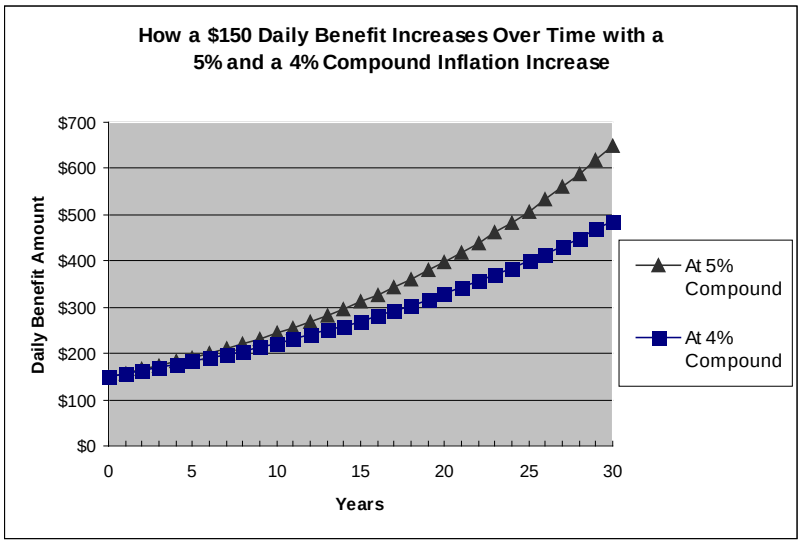
Please note: Variations of this personalized option are not available, though other options to help minimize the increase may be. [However, certain changes are subject to Partnership regulatory benefit minimum requirements and may result in a loss of Partnership status.] [It is also important to note that your coverage includes a "Limited Pay" premium provision. Please consider the number of remaining payments before making the decision to reduce your benefits.] Please note that, as the insured, you have the right to a revised premium rate or rate schedule upon request. For more information, please call John Hancock at **[888-654-6582].**

[Information to Consider

The graph below is an example of how a $150 daily benefit amount increases over the next 30 years at [5%] and [4%] [annually compounding rates][simple annual increases].]To help you with your inflation coverage decision, we thought it might be useful to also provide you with the latest trends in the cost of care. The chart to the right shows the national average annual increase over the past [five] years for the cost of care in various care settings. Please visit **www.jhinfocenter.com** for current cost of care information specific to your area. As you evaluate what is best for you, we encourage you to consider the current and projected cost of care in your area, as well as how much of that amount you are willing and able to pay from your own savings.



Trends in the Cost of Care

Long-Term Care Setting	[5]-Year Average Annual Increase
Nursing Home: Private Room	[3.6%]
Nursing Home: Semi-Private Room	[3.6%]
Assisted Living Facility	[2.0%]
Home Health Care Aide	[1.3%]
Adult Day Care	[1.6%]

[The 5-year average annual increases are based on a subset of common providers from our 2008 and 2011 Cost of Care surveys and our 2011 and 2013 Cost of Care surveys]

]1 [Daily/Monthly] Benefit is the most the coverage will reimburse for the costs of covered long-term care services received on [any day/in any month]. Your [Daily/Monthly] Benefit shown above reflects any inflation increase through [next policy anniversary].

2 Benefit Period is used to calculate your Policy Limit by multiplying your [Daily/Monthly] Benefit by the number of [days/months] in [X-years]. The Policy Limit represents the total pool of money available to reimburse the costs of covered long-term care services you receive while insured.

[3A reduction to your future annual inflation rate will apply to your [Daily/Monthly] Benefit. The inflation rate on your Policy Limit will remain at 3%.]

YOUR ALTERNATIVE OPTIONS TO REDUCE COVERAGE AND LOWER PREMIUMS

To help mitigate the premium increase, you may be eligible to reduce other benefits. These benefits can be reduced upon your request at any time. For example, you may be eligible to:

- Reduce your current [daily/monthly benefit]*
- [Reduce your benefit period*]
- [Increase your elimination period]
- [Drop an optional rider]

* This reduction will also result in a corresponding decrease in your Total Policy Limit. [Note: our records indicate there is claim activity on your policy; please consider your current policy limit before making the decision to reduce your benefits.] [You may also want to review the restoration of benefits provision in your policy before making your decision.]

Please note - in certain instances the ability to reduce your benefits may not be available due to state-regulated minimum benefit requirements or the available plan options. [In addition, certain changes are subject to Partnership regulatory benefit minimum requirements and may result in a loss of Partnership status.] [Your policy includes a "Limited Pay" premium provision. Please consider the number of remaining payments on your policy before making the decision to reduce your benefits.] For more information, please call John Hancock at **[888-654-6582].**

[Exercise the Nonforfeiture Benefit, resulting in a paid-up policy with reduced benefits

Your policy includes a Nonforfeiture Benefit, which enables you to discontinue paying premiums and provides you with a paid-up policy with reduced benefits. By exercising this option, you will be significantly reducing your policy benefits, so you should give this careful consideration before you select it.]

[Exercise the Contingent Benefit Upon Lapse, resulting in a paid-up policy with reduced benefits

If you choose to cancel your policy within 120 days of [next policy anniversary date], we will modify your policy limit (lifetime maximum benefit amount) and convert your policy to paid-up status where no further premiums are due. Your new policy limit will be [$XXXX], which represents the sum of all premiums paid.* By exercising this option, you will be significantly reducing your policy benefits, so you should give this careful consideration before you select it.]

[The following terms apply if you choose to exercise the [Nonforfeiture Benefit][Contingent Benefit Upon Lapse]:

- No benefits will be paid in excess of your new policy limit.
- Benefits will be paid subject to the daily/monthly benefit levels (and other coverage limits) in effect at the time you convert your policy to paid-up status.
- All optional benefit riders will automatically terminate.
- No future inflation adjustments will be made.
- All other applicable policy provisions, conditions, and limitations will remain in effect.]

[*Calculated based on benefit amounts and on premiums paid to date as of [file extract date]. The actual Contingent Benefit Upon Lapse amount may be slightly higher as it will be equal to the premiums paid on the policy to date or 30 times the daily nursing home benefit at the time of lapse, whichever is greater; but in no event will the sum of benefits exceed the maximum benefits which would be payable if the policy had remained in premium paying status.]

IMPORTANT DATES

- If you choose an option listed on the enclosed Coverage Change Request Form, you must complete, sign and return the form by **[Month XX, YYYY]**.
- If you choose to make no changes to your coverage, no action is required. Your level of coverage will not change and your new increased premium will become effective on **[Month XX, YYYY]**.

[Important Notice About SharedCare

You have a "Shared Care Remaining Benefit," in the amount of [$XXX.XX], as part of your coverage. This amount is not reflected under your current coverage shown on this Options Worksheet. If you choose to reduce your benefits or make no changes to your coverage, this amount will still be available to you. [If you choose to exercise the [Nonforfeiture Benefit][Contingent Benefit Upon Lapse], this amount will no longer be available to you.] Before making your decision, please consider the impact on this SharedCare Remaining Benefit amount.]

YOUR PERSONALIZED OPTION TO REDUCE COVERAGE AND AVOID THE INCREASE

To avoid the premium increase we are offering you a one-time opportunity to reduce your future annual inflation rate. The table below shows your current premium and the new premium you will be charged if you keep your current annual inflation rate. The table also shows what your reduced inflation rate will be if you choose the personalized option, which will only be applied to future inflation increases that occur after the rate increase effective date. All other existing benefits and previous inflation increases that have already been applied to your policy through the effective date of the inflation rate reduction will be maintained.

[**Important: Reducing your future annual inflation rate will result in the loss of Partnership status and your policy will no longer qualify for Medicaid Asset Protection. If you wish to retain Partnership status, do <u>not</u> elect this option.** Other options to help minimize the increase and retain your Partnership status may be available to you. For more information, please call John Hancock at [888-654-6582].]

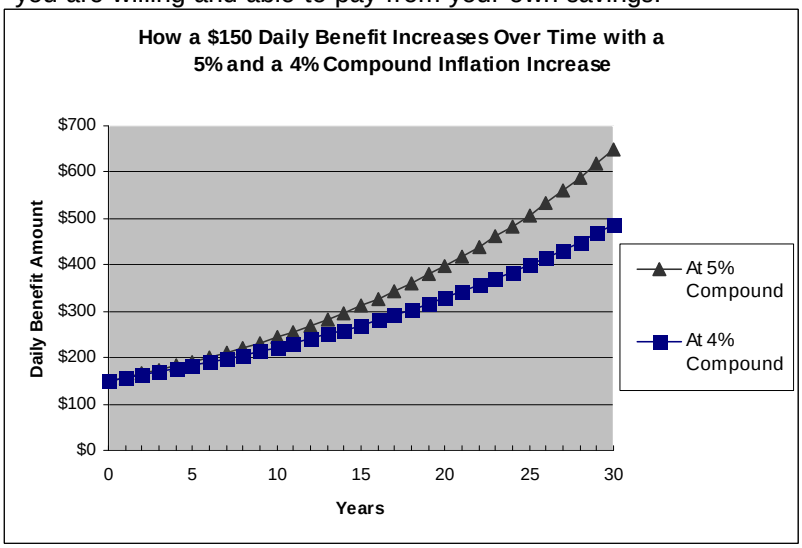
[Information to Consider

The graph below is an example of how a $150 daily benefit amount increases over the next 30 years at [5%] and [4%] [annually compounding rates][simple annual increases].]To help you with your inflation coverage decision, we thought it might be useful to also provide you with the latest trends in the cost of care. The chart to the right shows the national average annual increase over the past [five] years for the cost of care in various care settings. Please visit **www.jhinfocenter.com** for current cost of care information specific to your area. As you evaluate what is best for you, we encourage you to consider the current and projected cost of care in your area, as well as how much of that amount you are willing and able to pay from your own savings.



Trends in the Cost of Care

Long-Term Care Setting	[5]-Year Average Annual Increase
Nursing Home: Private Room	[3.6%]
Nursing Home: Semi-Private Room	[3.6%]
Assisted Living Facility	[2.0%]
Home Health Care Aide	[1.3%]
Adult Day Care	[1.6%]

[The 5-year average annual increases are based on a subset of common providers from our 2008 and 2011 Cost of Care surveys and our 2011 and 2013 Cost of Care surveys]

YOUR ALTERNATIVE OPTIONS TO REDUCE COVERAGE AND LOWER PREMIUMS

To help mitigate the premium increase, you may be eligible to reduce other benefits. These benefits can be reduced upon your request on any future policy anniversary. For example, you may be eligible to:

- Reduce your current [daily/monthly benefit]*
- [Reduce your benefit period*]
- [Increase your elimination period]
- [Drop an optional rider]

* This reduction will also result in a corresponding decrease in your Total Policy Limit. [Note: our records indicate there is claim activity on your policy; please consider your current policy limit before making the decision to reduce your benefits.] [You may also want to review the restoration of benefits provision in your policy before making your decision.]

Please note - in certain instances the ability to reduce your benefits may not be available due to state-regulated minimum benefit requirements or the available plan options. - No benefits will be paid in excess of your new policy limit.
- Benefits will be paid subject to the daily/monthly benefit levels (and other coverage limits) in effect at the time you convert your policy to paid-up status.
- All optional benefit riders will automatically terminate.
- No future inflation adjustments will be made.
- All other applicable policy provisions, conditions, and limitations will remain in effect.]

[*Calculated based on benefit amounts and on premiums paid to date as of [file extract date]. The actual Contingent Benefit Upon Lapse amount may be slightly higher as it will be calculated based on current benefits and premiums paid to date as of the effective date of your paid-up status. The benefit amount shall not be less than [30 times the daily] benefit at the time of lapse.]

IMPORTANT DATES

- If you choose an option listed on the enclosed Coverage Change Request Form, you must complete, sign and return the form by **[Month XX, YYYY]**.
- If you choose to make no changes to your coverage, no action is required. Your level of coverage will not change and your new increased premium will become effective on **[Month XX, YYYY]**.

[Important Notice About SharedCare

You have a "Shared Care Remaining Benefit," in the amount of [$XXX.XX], as part of your coverage. This amount is not reflected under your current coverage shown on this Options Worksheet. If you choose to reduce your benefits or make no changes to your coverage, this amount will still be available to you. [If you choose to exercise the [Nonforfeiture Benefit][Contingent Benefit Upon Lapse], this amount will no longer be available to you.] Before making your decision, please consider the impact on this SharedCare Remaining Benefit amount.]

1. **Why do you need to raise premium rates — can you explain further?**
   When pricing a long-term care insurance product, insurance companies use the best available information at that time to predict how many policyholders might ultimately use the benefit in the future. This involves making certain assumptions about a variety of factors including: particular medical conditions, the expected lifespan of policyholders, the length of time policyholders keep their policies, and the cost of receiving long-term care services. If the actual experience differs in an unfavorable way from the expected experience based on these assumptions, a premium rate increase may become necessary.

   Our most recent comprehensive claims study, which we conduct every three years, examines the usage trends for our insured population. It indicated that, like many carriers in this business, we have seen increased claims. As compared to our previous analysis, the new data shows that policyholders are living longer than expected, their claims are lasting longer than expected, and more people than expected are claiming at the older ages. Based on that data, we have determined that there is a need to increase premiums on certain policy series to reflect that future claims are significantly higher on these policies than originally expected or priced.

2. **What is the policy provision that allows you to raise my premiums?**
   The provision that allows for an increase in premiums can be found on the front page of your policy. Your policy indicates that, while your insurance company cannot change coverage or refuse to renew coverage for reasons other than nonpayment of premiums, the company is allowed to change or increase premiums so long as the increase applies to an entire class of policies. We are required to file premium increases on policy series, along with actuarial justification, with the department of insurance in the state where the policy was purchased, and may only implement the rate increase once we are permitted to do so.

3. **Have I been singled out for this rate increase because of my age or health?**
   No, the increase applies to everyone who purchased the same long-term care insurance product you did. No individual has been singled out for an increase, nor is the increase due to a policyholder's advancing age or changing health. Also, your state has not been singled out, as all states are included in our rate increase process.

4. **If I no longer live in the state where I purchased my policy, does the increase still apply?**
   Yes. All LTC insurance policies are regulated by the original state in which they were written at the time of the purchase of the policy. That means that the state where you were residing when you purchased your policy continues to be the applicable state, even if you are now residing elsewhere.

5. **Is the premium rate increase due to the economic environment?**
   No. We are increasing premium rates solely due to our claims experience, which indicates higher-than-expected claims on your policy series in the future.

6. **Is there an alternative to paying higher premiums?**
   Yes. We are offering several benefit reduction alternatives and, in most cases, at least one option that will enable you to keep your premiums at or close to the same level as what you are paying today. The enclosed 'Options Worksheet' outlines your options. To further review these options, please contact one of our customer service representatives.

7. **Do I need to complete and return the enclosed Coverage Change Request Form?**
   The enclosed Coverage Change Request Form need only be completed and returned to John Hancock should you decide you want to adjust your benefits or cancel your policy. Otherwise, no action is necessary on your part, as the premium rate increase will take place automatically on the policy anniversary date specified in your letter.

8. **Will there be additional premium increases in the future?**
   Premium rates are not guaranteed and may be increased in accordance with the terms of your policy. We will continue to monitor our claims experience to determine whether future increases will be necessary.

9. **If I pay premiums through an automatic draft plan and my premium is changing, is there any action I need to take?**
   No. If you have an automatic draft plan established through John Hancock, we will adjust the drafted amount.

10. **If I pay premiums through online banking and my premium is changing, is there any action I need to take?**
    Yes. Please update your online banking payment information with the new premium amount prior to the rate increase effective date.

COVERAGE CHANGE REQUEST FORM
Individual LTC Insurance Policy for [First Name] [Last Name]
Policy # [XXXXX]
John Hancock Life Insurance Company (U.S.A.)

To avoid the premium increase, we are offering you a one-time opportunity to elect your personalized option.

If you choose to make no changes to your current coverage, no action is required and your new increased premium will be effective on **[Month XX, YYYY]**.

If you choose to change your coverage, you must select an option listed below, sign and return this Coverage Change Request Form by **[Month XX, YYYY]**.

Step 1: Select an option (please choose only one option)

For more details, please see your Options Worksheet. [In some instances, certain changes are subject to Partnership regulatory benefit minimum requirements.] As a reminder, you may have alternative options available to mitigate the premium increase. For more information, please call John Hancock at **[888-654-6582]**.

COVERAGE CHANGE OPTIONS	
☐	Reduce your future annual inflation rate from [5%] to [X.X%].[*]
☐	[Exercise the [Nonforfeiture Benefit/Contingent Benefit Upon Lapse] available on your policy.]
☐	[Cancel your coverage. This change will be effective immediately.]]

[Important: Reducing your future annual inflation rate will result in the loss of Partnership status and your policy will no longer qualify for Medicaid Asset Protection. If you wish to retain Partnership status, do not elect this option. Other options to help minimize the increase and retain your Partnership status may be available to you. For more information, please call John Hancock at [888-654-6582].]

Step 2: Review Agreement and Acknowledgement

I understand that my benefits and/or premium for those benefits will change based upon the option(s) I select.

I understand that premium rates are not guaranteed and may be increased again in the future if I am among the group of policyholders whose premiums are determined to be inadequate.

If I select an option(s) to change my coverage, I understand that, within 30 days of the date this change becomes effective, I may cancel the change in my coverage and return to my original coverage at the increased premium level.

I understand the policy change(s) I selected above. By signing below, I agree that any change(s) other than cancelling my policy, will be effective on my next policy anniversary provided this form is received by John Hancock by that date.

Re: Notice of Premium Rate Increase – Long-Term Care Insurance Policy No. [xxx]. **Decision required by [date].** John Hancock Life Insurance Company (U.S.A.)

Dear [First Name] [Last Name],

John Hancock is committed to ensuring long-term care (LTC) insurance benefits will be there for our policyholders when they need them most. To uphold this responsibility, we continuously monitor the experience of our inforce LTC insurance policies. Our most recent analysis shows that policyholders are living longer than expected, LTC claims are lasting longer than expected, and that more policyholders than expected are claiming at older ages than previously anticipated. Unfortunately, based on this data, we have determined a need to increase premiums on this policy series to reflect that future claims are expected to be significantly higher on these policies than originally expected or priced.

Options to Minimize the Premium Increase
We sincerely regret having to take this action and understand that a premium increase may not be affordable for some. Therefore, we are offering you personalized options that will enable you to minimize the premium increase by reducing your coverage. Please refer to the enclosed "Options Worksheet" for more information.

About the Premium Increase
Based on your current benefit selections, unless you elect a personalized option as described in your Options Worksheet, your premiums will increase from [current premium] to [new premium], [policy mode]. This new premium will be effective for premiums due on or after [next policy anniversary]. Please note this letter is not a bill.

The rate increase request was reviewed by Virginia's State Corporation Commission and was found to be compliant with applicable Virginia laws and regulations addressing long-term care insurance. All premium rate filings are available for public inspection and may be accessed online through the Virginia Bureau of Insurance's webpage at www.scc.virginia.gov/BOI. No individual has been singled out for an increase, nor is the increase due to a policyholder's advancing age or changing health. Our decision to increase premiums on certain policies is based upon the future claims anticipated on these policies. Please note that the decision to seek a premium increase on these LTC insurance policies has been made by John Hancock, not your insurance agent, nor the Virginia Bureau of Insurance. As a reminder, per the terms of your policy, premium rates are not guaranteed and could be increased again in the future, at which time similar benefit reduction options may be available to you. However, please be advised that John Hancock will not apply any additional premium rate increase to your policy for at least 36 months from your policy anniversary date of [next policy anniversary date].

Importance of LTC Insurance Coverage
As you decide which of the coverage options described in this letter works best for you, you may wish to consider the value offered by LTC insurance. The need for care can be one of the most significant challenges a person can face – both personally and financially. LTC insurance provides valuable protection that may not be available with your health insurance or from government programs.

John Hancock has seen the difference this insurance has made in the lives of our customers and their family members. We remain committed to delivering on our promise to provide the coverage, support and service, when and where you need care.

Next Steps

The enclosed Options Worksheet details your current coverage and provides options you can elect in order to help minimize the premium increase. **Please be advised that all of the options available to you may not be of equal value, so please review this information carefully.**

- If you decide to reduce your coverage as outlined in the "Options Worksheet," simply complete the "Coverage Change Request Form" and return it to John Hancock by **[Month XX, YYYY]**.
- If you choose to make no changes to your coverage, no action is required, and your new increased premium will become effective on **[Month XX, YYYY]**.

For Further Assistance

Again, we sincerely regret having to take this action, but we hope you find that the options provided are helpful. If you have any questions, please visit www.jhinfocenter.com or contact one of our customer service representatives at [888-654-6582], Monday through Friday from 8:00 a.m. – 6:00 p.m. Eastern Time. ALTERNATIVE OPTIONS

[Exercise the Nonforfeiture Benefit, resulting in a paid-up policy with reduced benefits

Your policy includes a Nonforfeiture Benefit, which enables you to discontinue paying premiums and provides you with a paid-up policy with reduced benefits. By exercising this option, you will be significantly reducing your policy benefits, so you should give this careful consideration before you select it.]

[Exercise the Contingent Benefit Upon Lapse, resulting in a paid-up policy with reduced benefits

If you choose to cancel your policy within 120 days of [next policy anniversary date], we will modify your policy limit (lifetime maximum benefit amount) and convert your policy to paid-up status where no further premiums are due. Your new policy limit will be [$XXXX], which represents the sum of all premiums paid.* By exercising this option, you will be significantly reducing your policy benefits, so you should give this careful consideration before you select it.]

[The following terms apply if you choose to exercise the [Nonforfeiture Benefit][Contingent Benefit Upon Lapse]:

- No benefits will be paid in excess of your new policy limit.
- Benefits will be paid subject to the daily/monthly benefit levels (and other coverage limits) in effect at the time you convert your policy to paid-up status.
- All optional benefit riders will automatically terminate.
- No future inflation adjustments will be made.
- All other applicable policy provisions, conditions, and limitations will remain in effect.]

[*Calculated based on benefit amounts and on premiums paid to date as of [file extract date]. The actual Contingent Benefit Upon Lapse amount may be slightly higher as it will be calculated based on current benefits and premiums paid to date as of the effective date of your paid-up status. The benefit amount shall not be less than [30 times the daily] benefit at the time of lapse.]

IMPORTANT DATES

- If you choose an option listed on the enclosed Coverage Change Request Form, you must complete, sign and return the form by **[Month XX, YYYY]**.
- If you choose to make no changes to your coverage, no action is required. Your level of coverage will not change and your new increased premium will become effective on **[Month XX, YYYY]**.

[Important Notice About SharedCare

You have a "Shared Care Remaining Benefit," in the amount of [$XXX.XX], as part of your coverage. This amount is not reflected under your current coverage shown on this Options Worksheet. If you choose to reduce your benefits or make no changes to your coverage, this amount will still be available to you. [If you choose to exercise the [Nonforfeiture Benefit][Contingent Benefit Upon Lapse], this amount will no longer be available to you.] Before making your decision, please consider the impact on this SharedCare Remaining Benefit amount.]

1. **Why do you need to raise premium rates — can you explain further?**
When pricing a long-term care insurance product, insurance companies use the best available information at that time to predict how many policyholders might ultimately use the benefit in the future. This involves making certain assumptions about a variety of factors including: particular medical conditions, the expected lifespan of policyholders, the length of time policyholders keep their policies, and the cost of receiving long-term care services. If the actual experience differs in an unfavorable way from the expected experience based on these assumptions, a premium rate increase may become necessary.

Our most recent comprehensive claims study, which we conduct every three years, examines the usage trends for our insured population. It indicated that, like many carriers in this business, we have seen increased claims. As compared to our previous analysis, the new data shows that policyholders are living longer than expected, their claims are lasting longer than expected, and more people than expected are claiming at the older ages. Based on that data, we have determined that there is a need to increase premiums on certain policy series to reflect that future claims are expected to be significantly higher than originally expected or priced.

2. **What is the policy provision that allows you to raise my premiums?**
The provision that allows for an increase in premiums can be found on the front page of your policy. Your policy indicates that, while your insurance company cannot change coverage or refuse to renew coverage for reasons other than nonpayment of premiums, the company is allowed to change or increase premiums so long as the increase applies to an entire class of policies. We are required to file premium increases on policy series, along with actuarial justification, with the department of insurance in the state where the policy was purchased, and may only implement the rate increase once we are permitted to do so.

3. **Have I been singled out for this rate increase because of my age or health?**
No, the increase applies to everyone who purchased the same long-term care insurance product you did. No individual has been singled out for an increase, nor is the increase due to a policyholder's advancing age or changing health. Also, your state has not been singled out, as all states are included in our rate increase process.

4. **If I no longer live in the state where I purchased my policy, does the increase still apply?**
Yes. All LTC insurance policies are regulated by the original state in which they were written at the time of the purchase of the policy. That means that the state where you were residing when you purchased your policy continues to be the applicable state, even if you are now residing elsewhere.

5. **Is the premium rate increase due to the economic environment?**
No. We are increasing premium rates solely due to our claims experience, which indicates higher-than-expected claims on your policy series in the future.

6. **Is there an alternative to paying higher premiums?**
Yes. We are offering several benefit reduction alternatives and, in most cases, at least one option that will enable you to keep your premiums at or close to the same level as what you are paying today. The enclosed 'Options Worksheet' outlines your options. To further review these options, please contact one of our customer service representatives.

7. **Do I need to complete and return the enclosed Coverage Change Request Form?**
The enclosed Coverage Change Request Form need only be completed and returned to John Hancock should you decide you want to adjust your benefits or cancel your policy. Otherwise, no action is necessary on your part, as the premium rate increase will take place automatically on the policy anniversary date specified in your letter.

8. **Will there be additional premium increases in the future?**
Premium rates are not guaranteed and may be increased in accordance with the terms of your policy. We will continue to monitor our claims experience to determine whether future increases will be necessary.

9. **If I pay premiums through an automatic draft plan and my premium is changing, is there any action I need to take?**
No. If you have an automatic draft plan established through John Hancock, we will adjust the drafted amount.

10. **If I pay premiums through online banking and my premium is changing, is there any action I need to take?**
Yes. Please update your online banking payment information with the new premium amount prior to the rate increase effective date.

COVERAGE CHANGE REQUEST FORM
Individual LTC Insurance Policy for [First Name] [Last Name]
Policy # [XXXXX]
John Hancock Life Insurance Company (U.S.A.)

To minimize the premium increase, we are offering you an opportunity to elect a personalized option.

If you choose to make no changes to your current coverage, no action is required and your new increased premium will be effective on **[Month XX, YYYY]**.

If you choose to change your coverage, you must select an option listed below, sign and return this Coverage Change Request Form by **[Month XX, YYYY]**.

Step 1: Select an option (please choose only one option)

For more details, please see your Options Worksheet. [**In some instances, certain changes are subject to Partnership regulatory benefit minimum requirements.**] As a reminder, you may have alternative options available to mitigate the premium increase. For more information, please call John Hancock at **[888-654-6582].**

☐	[Cancel your policy. This change will be effective immediately.]	N/A

Step 2: Review Agreement and Acknowledgement

I understand that my benefits and/or premium for those benefits will change based upon the option(s) I select.

I understand that premium rates are not guaranteed and may be increased again in the future if I am among the group of policyholders whose premiums are determined to be inadequate.

If I select an option(s) to change my coverage, I understand that, within 30 days of the date this change becomes effective, I may cancel the change in my coverage and return to my original coverage at the increased premium level.

I understand the policy change(s) I selected above. By signing below, I agree that any change(s) other than cancelling my policy, will be effective on my next policy anniversary provided this form is received by John Hancock by that date.

Step 3: Sign and Date

Re: Notice of Premium Rate Increase – Long-Term Care Insurance Policy No. [xxx]. **Decision required by [date].** John Hancock Life Insurance Company, U.S.A.

Dear [First Name] [Last Name],

John Hancock is committed to ensuring long-term care (LTC) insurance benefits will be there for our policyholders when they need them most. To uphold this responsibility, we continuously monitor the experience of our inforce LTC insurance policies. Our most recent analysis shows that policyholders are living longer than expected, LTC claims are lasting longer than expected, and that more policyholders than expected are claiming at older ages than previously anticipated. Unfortunately, based on this data, we have determined a need to increase premiums on this policy series to reflect that future claims are expected to be significantly higher on these policies than originally expected or priced.

Options to Avoid or Minimize the Premium Increase
We sincerely regret having to take this action and understand that a premium increase may not be affordable for some. **Therefore, <u>we are offering you an option to avoid the premium increase completely</u> by reducing your future annual inflation rate and keeping all other benefits the same.** Please see the enclosed "Options Worksheet" for more information on this as well as additional options that will enable you to minimize the premium increase.

About the Premium Increase
Based on your current benefit selections, unless you elect the option <u>described in the above paragraph</u> or one of the alternative options described in your Options Worksheet, your premiums will increase from [current premium] to [new premium], [policy mode]. This new premium will be effective for premiums due on or after [next policy anniversary]. Please note this letter is not a bill.

The rate increase request was reviewed by Virginia's State Corporation Commission and was found to be compliant with applicable Virginia laws and regulations addressing long-term care insurance. All premium rate filings are available for public inspection and may be accessed online through the Virginia Bureau of Insurance's webpage at www.scc.virginia.gov/BOI. No individual has been singled out for an increase, nor is the increase due to a policyholder's advancing age or changing health. Our decision to increase premiums on certain policies is based upon the future claims anticipated on these policies. Please note that the decision to seek a premium increase on these LTC insurance policies has been made by John Hancock, not your insurance agent, nor the Virginia Bureau of Insurance. As a reminder, per the terms of your policy, premium rates are not guaranteed and could be increased again in the future, at which time similar benefit reduction options may be available to you. However, please be advised that John Hancock will not apply any additional premium rate increase to your policy for at least 36 months from your policy anniversary date of [next policy anniversary date].

Importance of LTC Insurance Coverage

As you decide which of the coverage options described in this letter works best for you, you may wish to consider the value offered by LTC insurance. The need for care can be one of the most significant challenges a person can face – both personally and financially. LTC insurance provides valuable protection that may not be available with your health insurance or from government programs.

John Hancock has seen the difference this insurance has made in the lives of our customers and their family members. We remain committed to delivering on our promise to provide the coverage, support and service, when and where you need care.

Next Steps

The enclosed Options Worksheet details your current coverage and provides options you can elect in order to help minimize or avoid the premium increase completely. **Please be advised that all of the options available to you may not be of equal value, so please review this information carefully**.

- If you decide to reduce your coverage as outlined in the Options Worksheet, simply complete the "Coverage Change Request Form" and return it to John Hancock by **[Month XX, YYYY]**.
- If you choose to make no changes to your coverage, no action is required, and your new increased premium will become effective on **[Month XX, YYYY]**.

For Further Assistance

Again, we sincerely regret having to take this action, but we hope you find that the options provided are helpful. If you have any questions, please visit www.jhinfocenter.com or contact one of our customer service representatives at [888-654-6582], Monday through Friday from 8:00 a.m. – 6:00 p.m. Eastern Time. POLICY SCHEDULE - Continued

FEDERAL INCOME TAX TREATMENT OF THIS POLICY

Long-term care insurance was granted favorable federal income tax treatment in the Health Insurance Portability and Accountability Act of 1996. Policies meeting certain criteria outlined in this Act are eligible for this treatment. To the best of Our knowledge, We have designed this Policy to meet the requirements of this new law. This Policy is intended to be a qualified long-term care contract under Section 7702B(b) of the Internal Revenue Code. If, in the future, it is determined that this Policy does not meet these requirements, We will make every reasonable effort to amend the Policy if We are required to do so in order to gain such favorable federal income tax treatment. We will offer you an opportunity to receive these amendments.

PART 1 - GENERAL DEFINITIONS

This part explains the special meaning given to certain words or phrases as they are used in this Policy. Other terms are defined in the part in which they are most frequently used.

1.1	**Date of Service**	Date of Service means a day that **You** are a resident in a **Nursing Home** or an **Assisted Care Living Facility**, or receive **Home Health Care**, that is eligible for benefits under this Policy (including **Dates of Service** during the **Elimination Period**).
1.2	**Elimination Period**	Elimination Period (waiting period) means the number of **Dates of Service** in each **Period of Care** that would otherwise be covered by this Policy, for which **We** will not pay benefits. The **Elimination Period** is shown in the Policy Schedule. The **Elimination Period** starts on the first **Date of Service** in each **Period of Care**. Benefits are not payable during the **Elimination Period**.
1.3	**Immediate Family**	Immediate Family means **You** or **Your** spouse, or the following relatives of **You** or **Your** spouse: parents, grandparents, siblings, children, step-children, grandchildren, and their respective spouses.
1.4	**Medicaid**	Medicaid means the reimbursement system under Title XIX of the Federal Social Security Act, as amended.
1.5	**Medicare**	Medicare means the reimbursement system under Title XVIII of the Federal Social Security Act, as amended.
1.6	**Mental or Nervous Disorder**	Mental or Nervous Disorder means a sickness which is described as a mental or nervous condition in the standard nomenclature of the American Psychiatric Association. This includes neurosis, psychoneurosis, psychopathy, psychosis, and mental or emotional disease or disorder.

- [Note: our records indicate there is claim activity on your policy….] will only show if the policyholder has prior claim activity
- [You may also want to review the restoration of benefits….] will only show if the policyholder has prior claim activity and the restoration of benefits provision is included in their policy
- [In addition, certain changes are subject to Partnership regulatory benefit minimum requirements] This will be inserted for policyholders whose policies are partnership-certified.
- The following will be used only when the policy includes a limit payment option:
  [Your policy includes a "Limited Pay" payment option. Please consider the number of remaining payments on your policy before making the decision to reduce your benefits.]
- [888-654-6582] Phone number will vary based on the firm of the agent of record.

The following will appear only if the policyholder purchased the optional Nonforfeiture Benefit rider:

[Exercise the Nonforfeiture Benefit, resulting in a paid-up policy with reduced benefits

Your policy includes a Nonforfeiture Benefit, which enables you to discontinue paying premiums and provides you with a paid-up policy with reduced benefits. By exercising this option, you will be significantly reducing your policy benefits, so you should give this careful consideration before you select it.]

The following will appear only if the policyholder is eligible for the Contingent Nonforfeiture benefit (based on the standard NAIC trigger) and did not purchase the optional Nonforfeiture Benefit rider. The bracketed text will be the effective date of the rate increase and the sum of all premiums paid on the policy:

[Exercise the Contingent Nonforfeiture Benefit, resulting in a paid-up policy with reduced benefits

If you choose to cancel your policy within 120 days of [next policy anniversary date], we will modify your policy limit (lifetime maximum benefit amount) and convert your policy to paid-up status where no further premiums are due. Your new policy limit will be [$XXXX], which represents the sum of all premiums paid.* By exercising this option, you will be significantly reducing your policy benefits, so you should give this careful consideration before you select it.]

The following appears if the insured is eligible for either the Nonforfeiture Benefit or the Contingent Nonforfeiture Benefit

"[The following terms apply if you choose to exercise the [Nonforfeiture][Contingent Nonforfeiture] Benefit:

Re: Notice of Premium Rate Increase – Long-Term Care Insurance Policy No. [xxx]. **Decision required by [date].** John Hancock Life Insurance Company, U.S.A.

Dear [First Name] [Last Name],

John Hancock is committed to ensuring long-term care (LTC) insurance benefits will be there for our policyholders when they need them most. To uphold this responsibility, we continuously monitor the experience of our inforce LTC insurance policies. Our most recent analysis shows that policyholders are living longer than expected, LTC claims are lasting longer than expected, and that more policyholders than expected are claiming at older ages than previously anticipated. Unfortunately, based on this data, we have determined a need to increase premiums on this policy series to reflect the future claims expected on these policies.

Options to Avoid or Minimize the Premium Increase
We sincerely regret having to take this action and understand that a premium increase may not be affordable for some. **Therefore, <u>we are offering you an option to avoid the premium increase completely</u> by reducing your future annual inflation rate and keeping all other benefits the same.** Please see the enclosed "Options Worksheet" for more information on this as well as additional options that will enable you to minimize the premium increase.

About the Premium Increase
Based on your current benefit selections, unless you elect the option <u>described in the above paragraph</u> or one of the alternative options described in your Options Worksheet, your premiums will increase from [current premium] to [new premium], [policy mode]. This new premium will be effective for premiums due on or after [next policy anniversary]. Please note this letter is not a bill.

The rate increase request was reviewed by Virginia's State Corporation Commission and was found to be compliant with applicable Virginia laws and regulations addressing long-term care insurance. All premium rate filings are available for public inspection and may be accessed online through the Virginia Bureau of Insurance's webpage at www.scc.virginia.gov/BOI. No individual has been singled out for an increase, nor is the increase due to a policyholder's advancing age or changing health. Our decision to increase premiums on certain policies is based upon the future claims anticipated on these policies. Please note that the decision to seek a premium increase on these LTC insurance policies has been made by John Hancock, not your insurance agent, nor the Virginia Department of Insurance. As a reminder, per the terms of your policy, premium rates are not guaranteed and could be increased again in the future, at which time similar benefit reduction options may be available to you. However, please be advised that John Hancock will not apply any additional premium rate increase to your policy for at least 36 months from your policy anniversary date of [next policy anniversary date].

Importance of LTC Insurance Coverage

As you decide which of the coverage options described in this letter works best for you, you may wish to consider the value offered by LTC insurance. The need for care can be one of the most significant challenges a person can face – both personally and financially. LTC insurance provides valuable protection that may not be available with your health insurance or from government programs.

John Hancock has seen the difference this insurance has made in the lives of our customers and their family members. We remain committed to delivering on our promise to provide the coverage, support and service, when and where you need care.

Next Steps

The enclosed Options Worksheet details your current coverage and provides options you can elect in order to help minimize or avoid the premium increase completely. Please be advised that all of the options available to you may not be of equal value, so please review this information carefully.

- If you decide to reduce your coverage as outlined in the Options Worksheet, simply complete the "Coverage Change Request Form" and return it to John Hancock by **[Month XX, YYYY]**.
- If you choose to make no changes to your coverage, no action is required, and your new increased premium will become effective on **[Month XX, YYYY]**.

For Further Assistance

Again, we sincerely regret having to take this action, but we hope you find that the options provided are helpful. If you have any questions, please visit www.jhinfocenter.com or contact one of our customer service representatives at [888-654-6582], Monday through Friday from 8:00 a.m. – 6:00 p.m. Eastern Time. YOUR PERSONALIZED OPTION TO REDUCE COVERAGE AND AVOID THE INCREASE

To avoid the premium increase we are offering you a one-time opportunity to reduce your future annual inflation rate. The table below shows your current premium and the new premium you will be charged if you keep your current annual inflation rate. The table also shows what your reduced inflation rate will be if you choose the personalized option, which will only be applied to future inflation increases that occur after the rate increase effective date. All other existing benefits and previous inflation increases that have already been applied to your policy through the effective date of the inflation rate reduction will be maintained.

[**Important: Reducing your future annual inflation rate will result in the loss of Partnership status and your policy will no longer qualify for Medicaid Asset Protection. If you wish to retain Partnership status, do not elect this option.** Other options to help minimize the increase and retain your Partnership status may be available to you. For more information, please call John Hancock at [888-654-6582].]

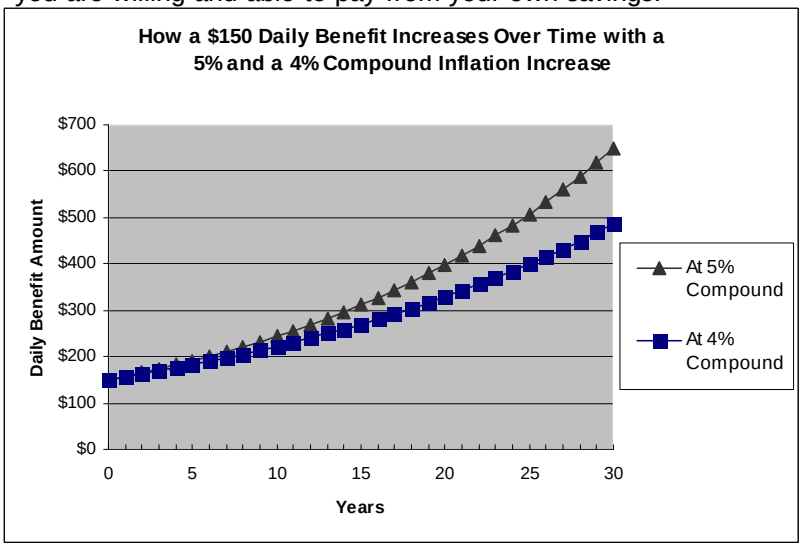
Please note: Variations of this personalized option are not available, though other options to help minimize the increase may be. [It is also important to note that your coverage includes a "Limited Pay" premium provision. Please consider the number of remaining payments before making the decision to reduce your benefits.] For more information, or to request a revised policy schedule page, please call John Hancock at **[888-654-6582].**

[Information to Consider

The graph below is an example of how a $150 daily benefit amount increases over the next 30 years at [5%] and [4%] [annually compounding rates][simple annual increases].]To help you with your inflation coverage decision, we thought it might be useful to also provide you with the latest trends in the cost of care. The chart to the right shows the national average annual increase over the past [five] years for the cost of care in various care settings. Please visit **www.jhinfocenter.com** for current cost of care information specific to your area. As you evaluate what is best for you, we encourage you to consider the current and projected cost of care in your area, as well as how much of that amount you are willing and able to pay from your own savings.



Trends in the Cost of Care

Long-Term Care Setting	[5]-Year Average Annual Increase
Nursing Home: Private Room	[3.6%]
Nursing Home: Semi-Private Room	[3.6%]
Assisted Living Facility	[2.0%]
Home Health Care Aide	[1.3%]
Adult Day Care	[1.6%]

[The 5-year average annual increases are based on a subset of common providers from our 2008 and 2011 Cost of Care surveys and our 2011 and 2013 Cost of Care surveys]

][1] [Daily/Monthly] Benefit is the most the coverage will reimburse for the costs of covered long-term care services received on [any day/in any month]. Your [Daily/Monthly] Benefit shown above reflects any inflation increase through [next policy anniversary].

[2] Benefit Period is used to calculate your Policy Limit by multiplying your [Daily/Monthly] Benefit by the number of [days/months] in [X-years]. The Policy Limit represents the total pool of money available to reimburse the costs of covered long-term care services you receive while insured.
[3] A reduction to your future annual inflation rate will apply to your [Daily/Monthly] Benefit. The inflation rate on your Policy Limit will remain at 3%.]

YOUR ALTERNATIVE OPTIONS TO REDUCE COVERAGE AND LOWER PREMIUMS

To help mitigate the premium increase, you may be eligible to reduce other benefits. For example, you may be eligible to:

- Reduce your current [daily/monthly benefit]*
- [Reduce your benefit period*]
- [Increase your elimination period]
- [Drop an optional rider]

* This reduction will also result in a corresponding decrease in your Total Policy Limit. [Note: our records indicate there is claim activity on your policy; please consider your current policy limit before making the decision to reduce your benefits.] [You may also want to review the restoration of benefits provision in your policy before making your decision.]

Please note - in certain instances the ability to reduce your benefits may not be available due to state-regulated minimum benefit requirements or the available plan options. [In addition, certain changes are subject to Partnership regulatory benefit minimum requirements.] [Your policy includes a "Limited Pay" premium provision. Please consider the number of remaining payments on your policy before making the decision to reduce your benefits.] For more information, please call John Hancock at **[888-654-6582].]**

[Exercise the Nonforfeiture Benefit, resulting in a paid-up policy with reduced benefits

Your new policy limit will be [$XXXX], which represents the sum of all premiums paid.* By exercising this option, you will be significantly reducing your policy benefits, so you should give this careful consideration before you select it.]

[The following terms apply if you choose to exercise the [Nonforfeiture][Contingent Nonforfeiture] Benefit:

- No benefits will be paid in excess of your new policy limit.
- Benefits will be paid subject to the daily/monthly benefit levels (and other coverage limits) in effect at the time you convert your policy to paid-up status.
- All optional benefit riders will automatically terminate.
- No future inflation adjustments will be made.
- All other applicable policy provisions, conditions, and limitations will remain in effect.]

[*Calculated based on benefit amounts and on premiums paid to date as of [file extract date]. The actual Contingent Nonforfeiture benefit amount may be slightly higher as it will be calculated based on current benefits and premiums paid to date as of the effective date of your paid-up status.]

IMPORTANT DATES

- If you choose an option listed on the enclosed Coverage Change Request Form, you must complete, sign and return the form by **[Month XX, YYYY]**.
- If you choose to make no changes to your coverage, no action is required. Your level of coverage will not change and your new increased premium will become effective on **[Month XX, YYYY]**.

[Important Notice About SharedCare

You have a "Shared Care Remaining Benefit," in the amount of [$XXX.XX], as part of your coverage. This amount is not reflected under your current coverage shown on this Options Worksheet. If you choose to reduce your benefits or make no changes to your coverage, this amount will still be available to you. [If you choose to exercise the [Nonforfeiture][Contingent Nonforfeiture] Benefit, this amount will no longer be available to you.] Before making your decision, please consider the impact on this SharedCare Remaining Benefit amount.]

1. **Why do you need to raise premium rates — can you explain further?**
   When pricing a long-term care insurance product, insurance companies use the best available information at that time to predict how many policyholders might ultimately use the benefit in the future. This involves making certain assumptions about a variety of factors including: particular medical conditions, the expected lifespan of policyholders, the length of time policyholders keep their policies, and the cost of receiving long-term care services. If the actual experience differs in an unfavorable way from the expected experience based on these assumptions, a premium rate increase may become necessary.

   Our most recent comprehensive claims study, which we conduct every three years, examines the usage trends for our insured population. It indicated that, like many carriers in this business, we have seen increased claims. As compared to our previous analysis, the new data shows that policyholders are living longer than expected, their claims are lasting longer than expected, and more people than expected are claiming at the older ages. Based on that data, we have determined that there is a need to increase premiums on certain policy series to reflect future claims expected on these policies.

2. **What is the policy provision that allows you to raise my premiums?**
   The provision that allows for an increase in premiums can be found on the front page of your policy. Your policy indicates that, while your insurance company cannot change coverage or refuse to renew coverage for reasons other than nonpayment of premiums, the company is allowed to change or increase premiums so long as the increase applies to an entire class of policies. We are required to file premium increases on policy series, along with actuarial justification, with the department of insurance in the state where the policy was purchased, and may only implement the rate increase once we are permitted to do so.

3. **Have I been singled out for this rate increase because of my age or health?**
   No, the increase applies to everyone who purchased the same long-term care insurance product you did. No individual has been singled out for an increase, nor is the increase due to a policyholder's advancing age or changing health. Also, your state has not been singled out, as all states are included in our rate increase process.

4. **If I no longer live in the state where I purchased my policy, does the increase still apply?**
   Yes. All LTC insurance policies are regulated by the original state in which they were written at the time of the purchase of the policy. That means that the state where you were residing when you purchased your policy continues to be the applicable state, even if you are now residing elsewhere.

5. **Is the premium rate increase due to the economic environment?**
   No. We are increasing premium rates solely due to our claims experience, which indicates higher-than-expected claims on your policy series in the future.

6. **Is there an alternative to paying higher premiums?**
   Yes. We are offering several benefit reduction alternatives and, in most cases, at least one option that will enable you to keep your premiums at or close to the same level as what you are paying today. The enclosed 'Options Worksheet' outlines your options. To further review these options, please contact one of our customer service representatives.

7. **Do I need to complete and return the enclosed Coverage Change Request Form?**
   The enclosed Coverage Change Request Form need only be completed and returned to John Hancock should you decide you want to adjust your benefits or cancel your policy. Otherwise, no action is necessary on your part, as the premium rate increase will take place automatically on the policy anniversary date specified in your letter.

8. **Will there be additional premium increases in the future?**
   Premium rates are not guaranteed and may be increased in accordance with the terms of your policy. We will continue to monitor our claims experience to determine whether future increases will be necessary.

9. **If I pay premiums through an automatic draft plan and my premium is changing, is there any action I need to take?**
   No. If you have an automatic draft plan established through John Hancock, we will adjust the drafted amount.

10. **If I pay premiums through online banking and my premium is changing, is there any action I need to take?**
    Yes. Please update your online banking payment information with the new premium amount prior to the rate increase effective date.

Step 2: Review Agreement and Acknowledgement

I understand that my benefits and/or premium for those benefits will change based upon the option(s) I select.

I understand that premium rates are not guaranteed and may be increased again in the future if I am among the group of policyholders whose premiums are determined to be inadequate.

If I select an option(s) to change my coverage, I understand that, within 30 days of the date this change becomes effective, I may cancel the change in my coverage and return to my original coverage at the increased premium level.

I understand the policy change(s) I selected above. By signing below, I agree that any change(s) other than cancelling my policy, will be effective on my next policy anniversary provided this form is received by John Hancock by that date.

Step 3: Sign and Date

Signature ([First Name] [Last Name]) **Date**

Step 4: Return this completed form using the enclosed postage-paid envelope by [Month XX, YYYY].

Re: Notice of Premium Rate Increase – Long-Term Care Insurance Policy No. [xxx]. **Decision required by [date].** John Hancock Life Insurance Company (U.S.A.)

Dear [First Name] [Last Name],

John Hancock is committed to ensuring long-term care (LTC) insurance benefits will be there for our policyholders when they need them most. To uphold this responsibility, we continuously monitor the experience of our inforce LTC insurance policies. Our most recent analysis shows that policyholders are living longer than expected, LTC claims are lasting longer than expected, and that more policyholders than expected are claiming at older ages. Unfortunately, based on this data, we have determined a need to increase premiums on this policy series to reflect the future claims expected on these policies.

Options to Minimize the Premium Increase
We sincerely regret having to take this action and understand that a premium increase may not be affordable for some. Therefore, we are offering you personalized options that will enable you to minimize the premium increase by reducing your coverage. Please refer to the enclosed "Options Worksheet" for more information.

About the Premium Increase
Based on your current benefit selections, unless you elect a personalized option as described in your Options Worksheet, your premiums will increase from [current premium] to [new premium], [policy mode]. This new premium will be effective for premiums due on or after [next policy anniversary]. Please note this letter is not a bill.

The rate increase request was reviewed by Virginia's State Corporation Commission and was found to be compliant with applicable Virginia laws and regulations addressing long-term care insurance. All premium rate filings are available for public inspection and may be accessed online through the Virginia Bureau of Insurance's webpage at www.scc.virginia.gov/BOI. No individual has been singled out for an increase, nor is the increase due to a policyholder's advancing age or changing health. Our decision to increase premiums on certain policies is based upon the future claims anticipated on these policies. Please note that the decision to seek a premium increase on these LTC insurance policies has been made by John Hancock, not your insurance agent, nor the Virginia Department of Insurance. As a reminder, per the terms of your policy, premium rates are not guaranteed and could be increased again in the future, at which time similar benefit reduction options may be available to you. However, please be advised that John Hancock will not apply any additional premium rate increase to your policy for at least 36 months from your policy anniversary date of [next policy anniversary date].

Importance of LTC Insurance Coverage
As you decide which of the coverage options described in this letter works best for you, you may wish to consider the value offered by LTC insurance. The need for care can be one of the most significant challenges a person can face – both personally and financially. LTC insurance provides valuable protection that may not be available with your health insurance or from government programs.

John Hancock has seen the difference this insurance has made in the lives of our customers and their family members. We remain committed to delivering on our promise to provide the coverage, support and service, when and where you need care.

Next Steps

The enclosed Options Worksheet details your current coverage and provides options you can elect in order to help minimize the premium increase. Please be advised that all of the options available to you may not be of equal value, so please review this information carefully.

- If you decide to reduce your coverage as outlined in the "Options Worksheet," simply complete the "Coverage Change Request Form" and return it to John Hancock by **[Month XX, YYYY]**.
- If you choose to make no changes to your coverage, no action is required, and your new increased premium will become effective on **[Month XX, YYYY]**.

For Further Assistance

Again, we sincerely regret having to take this action, but we hope you find that the options provided are helpful. If you have any questions, please visit www.jhinfocenter.com or contact one of our customer service representatives at [888-654-6582], Monday through Friday from 8:00 a.m. – 6:00 p.m. Eastern Time. YOUR PERSONALIZED OPTION(S) TO REDUCE COVERAGE AND MINIMIZE THE INCREASE

To minimize the premium increase, we are offering you an opportunity to reduce your coverage, as illustrated in the personalized option(s) below. The table also shows your current level of coverage and the new premium you will be charged if you keep this coverage.

As you evaluate what is best for you, we encourage you to consider the current and projected cost of care in your area, as well as how much of that amount you are willing and able to pay from your own savings. Please visit **www.jhinfocenter.com** for current cost of care information specific to your area.

ALTERNATIVE OPTIONS

[Exercise the Nonforfeiture Benefit, resulting in a paid-up policy with reduced benefits

Your policy includes a Nonforfeiture Benefit, which enables you to discontinue paying premiums and provides you with a paid-up policy with reduced benefits. By exercising this option, you will be significantly reducing your policy benefits, so you should give this careful consideration before you select it.]

[Exercise the Contingent Nonforfeiture Benefit, resulting in a paid-up policy with reduced benefits

If you choose to cancel your policy within 120 days of [next policy anniversary date], we will modify your policy limit (lifetime maximum benefit amount) and convert your policy to paid-up status where no further premiums are due. Your new policy limit will be [$XXXX], which represents the sum of all premiums paid.* By exercising this option, you will be significantly reducing your policy benefits, so you should give this careful consideration before you select it.]

[The following terms apply if you choose to exercise the [Nonforfeiture][Contingent Nonforfeiture] Benefit:

- No benefits will be paid in excess of your new policy limit.
- Benefits will be paid subject to the daily/monthly benefit levels (and other coverage limits) in effect at the time you convert your policy to paid-up status.
- All optional benefit riders will automatically terminate.
- No future inflation adjustments will be made.
- All other applicable policy provisions, conditions, and limitations will remain in effect.]

[*Calculated based on benefit amounts and on premiums paid to date as of [file extract date]. The actual Contingent Nonforfeiture benefit amount may be slightly higher as it will be calculated based on current benefits and premiums paid to date as of the effective date of your paid-up status.]

IMPORTANT DATES

- If you choose an option listed on the enclosed Coverage Change Request Form, you must complete, sign and return the form by **[Month XX, YYYY]**.
- If you choose to make no changes to your coverage, no action is required. Your level of coverage will not change and your new increased premium will become effective on **[Month XX, YYYY]**.

[Important Notice About SharedCare

You have a "Shared Care Remaining Benefit," in the amount of [$XXX.XX], as part of your coverage. This amount is not reflected under your current coverage shown on this Options Worksheet. If you choose to reduce your benefits or make no changes to your coverage, this amount will still be available to you. [If you choose to exercise the [Nonforfeiture][Contingent Nonforfeiture] Benefit, this amount will no longer be available to you.] Before making your decision, please consider the impact on this SharedCare Remaining Benefit amount.]

1. **Why do you need to raise premium rates — can you explain further?**
   When pricing a long-term care insurance product, insurance companies use the best available information at that time to predict how many policyholders might ultimately use the benefit in the future. This involves making certain assumptions about a variety of factors including: particular medical conditions, the expected lifespan of policyholders, the length of time policyholders keep their policies, and the cost of receiving long-term care services. If the actual experience differs in an unfavorable way from the expected experience based on these assumptions, a premium rate increase may become necessary.

   Our most recent comprehensive claims study, which we conduct every three years, examines the usage trends for our insured population. It indicated that, like many carriers in this business, we have seen increased claims. As compared to our previous analysis, the new data shows that policyholders are living longer than expected, their claims are lasting longer than expected, and more people than expected are claiming at the older ages. Based on that data, we have determined that there is a need to increase premiums on certain policy series to reflect future claims expected on these policies.

2. **What is the policy provision that allows you to raise my premiums?**
   The provision that allows for an increase in premiums can be found on the front page of your policy. Your policy indicates that, while your insurance company cannot change coverage or refuse to renew coverage for reasons other than nonpayment of premiums, the company is allowed to change or increase premiums so long as the increase applies to an entire class of policies. We are required to file premium increases on policy series, along with actuarial justification, with the department of insurance in the state where the policy was purchased, and may only implement the rate increase once we are permitted to do so.

3. **Have I been singled out for this rate increase because of my age or health?**
   No, the increase applies to everyone who purchased the same long-term care insurance product you did. No individual has been singled out for an increase, nor is the increase due to a policyholder's advancing age or changing health. Also, your state has not been singled out, as all states are included in our rate increase process.

4. **If I no longer live in the state where I purchased my policy, does the increase still apply?**
   Yes. All LTC insurance policies are regulated by the original state in which they were written at the time of the purchase of the policy. That means that the state where you were residing when you purchased your policy continues to be the applicable state, even if you are now residing elsewhere.

5. **Is the premium rate increase due to the economic environment?**
   No. We are increasing premium rates solely due to our claims experience, which indicates higher-than-expected claims on your policy series in the future.

6. **Is there an alternative to paying higher premiums?**
   Yes. We are offering several benefit reduction alternatives and, in most cases, at least one option that will enable you to keep your premiums at or close to the same level as what you are paying today. The enclosed 'Options Worksheet' outlines your options. To further review these options, please contact one of our customer service representatives.

7. **Do I need to complete and return the enclosed Coverage Change Request Form?**
   The enclosed Coverage Change Request Form need only be completed and returned to John Hancock should you decide you want to adjust your benefits or cancel your policy. Otherwise, no action is necessary on your part, as the premium rate increase will take place automatically on the policy anniversary date specified in your letter.

8. **Will there be additional premium increases in the future?**
   Premium rates are not guaranteed and may be increased in accordance with the terms of your policy. We will continue to monitor our claims experience to determine whether future increases will be necessary.

9. **If I pay premiums through an automatic draft plan and my premium is changing, is there any action I need to take?**
   No. If you have an automatic draft plan established through John Hancock, we will adjust the drafted amount.

10. **If I pay premiums through online banking and my premium is changing, is there any action I need to take?**
    Yes. Please update your online banking payment information with the new premium amount prior to the rate increase effective date.

COVERAGE CHANGE REQUEST FORM
Individual LTC Insurance Policy for [First Name] [Last Name]

Actuarial Memorandum for Inforce Rate Increase - Advantage Policy Series
July 15, 2015

Product Name	Form Number	Issue Date Range
ProtectCare Advantage LTC	LTC-VA-91	Oct 1991 - May 1994
ProtectCare Advantage NH	NH-VA-91	Oct 1991 - Dec 1993
ProtectCare Advantage Plus LTC	LTC-94 VA	Jan 1994 - Dec 1997
ProtectCare Advantage Plus NH	NH-94 VA	Mar 1994 - Mar 1999

1. Scope & Purpose

This memorandum consists of materials which support the development of new premium rates for the above captioned policy series forms. The purpose of this memorandum is to demonstrate that the requirements of this State in regards to an in force rate increase request have been met. This rate filing is not intended to be used for any other purpose.

2. Benefit Description(s)

A brief policy description for each of the policy forms:

LTC-VA-91, LTC-94 VA
Individually underwritten long-term care policies that provide comprehensive long-term care coverage for care received in a nursing home or assisted care living facility or covered services received in a community setting.

Provides reimbursement of 100% of covered long-term care expenses incurred after an elected elimination period is met, up to the nursing home or home health maximum daily amounts. There are separate pools for nursing home/assistance living facilities and home health care. The benefit eligibility is determined based on the insured's cognitive impairment or their requiring physical assistance to perform two out of five activities of daily living (ADLs) of dressing, eating, toileting, transferring, and maintaining continence.

Premiums are waived after the insured has received 90 days of benefits and will continue to be waived until the insured stops receiving such benefits or the policy limit is reached.

NH-VA-91, NH-94 VA
Individually underwritten long-term care policies that provide facility-only long-term care coverage for care received in a nursing home or assisted care living facility.

Provides reimbursement of 100% of covered long-term care expenses incurred after an elected elimination period is met, up to the maximum daily amounts. The benefit eligibility is determined based on the insured's cognitive impairment or their requiring physical assistance to perform two out of five activities of daily living (ADLs) of dressing, eating, toileting, transferring, and maintaining continence.

Premiums are waived after the insured has received 90 days of benefits and will continue to be waived until the insured stops receiving such benefits or the policy limit is reached.

3. Renewability

All policy forms are guaranteed renewable.

4. Applicability

This filing is applicable to in force policies only, as these policy forms are no longer being sold in the market. The premium changes will apply to the base forms as well as all applicable riders.

5. Actuarial Assumptions

Morbidity

The morbidity assumptions are derived from our own experience, following a comprehensive claim study just recently completed. The study has been peer reviewed both internally as well as by an Independent third party.

Our claims projections include 12 years of future morbidity improvements at 1.1% per year.

Below are currently expected sample annual claim costs for an LTC-91 policy, 100-day EP, $10 daily benefit, with Indexed Inflation option:

Issue Age 55		
Age	**4 yr**	**Lifetime**
55	1.29	5.56
60	4.90	12.96
65	14.43	35.88

We are also projecting 12 years of future mortality improvement based on scale AA, consistent with the 12 years of future morbidity improvement in our future claim projections.

Expenses

Expenses have not been explicitly projected. It is assumed that the originally filed expense assumptions remain appropriate.

6. Trend Assumptions

As this is not medical insurance, we have not included any explicit medical cost trends in the projections.

7. Marketing Method

This product was typically marketed through our traditional agency system and brokers involving a personal contact with each applicant.

8. Underwriting

These policy forms were underwritten using a medical and risk questionnaire. We also utilized Attending Physician Statement and personal interviews depending on the age of the applicant and medical conditions.

9. Premium Classes

The base policy premium rates vary by issue age, benefit period, inflation option, home health care maximum benefit percentage, and underwriting class, as in the initial rate filing.

All premium factors related to the insured elected benefit design options or any eligible discount remain unchanged from the initial rate filing.

10. Premium Modalization Rules

Frequency	Multiple of Annual Premium	Plus
Annual	1.0000	$0.00
Semiannual	0.5120	$0.60
Quarterly	0.2610	$0.90
Premiumatic	0.0865	$0.80

11. Issue Age Range

The issue age range is 18-84 for all policy forms.

12. Area Factors

Area factors are not applicable to any of the policy forms or riders.

13. Average Annual Premium

The table below summarizes the average annual premium per policy before and after the requested increase.

	Nationwide	Virginia	
Form	before the rate increase	before the rate increase	after the rate increase
LTC-VA-91	1,850	1,680	2,317
NH-VA-91	1,250	1,330	1,834
LTC-94 VA	2,040	1,960	2,703
NH-94 VA	1,470	1,330	1,834

14. Number of Policyholders

The table below summarizes, as of 12/31/2013, the number of policies inforce and their 2013 annualized premium that will be affected by this rate increase in your state.

Form	Number of Policies	2013 Annualized Premium
LTC-VA-91	588	989,801
NH-VA-91	5	6,657
LTC-94 VA	1,510	2,952,865
NH-94 VA	33	43,746

15. Reserves

Active Life Reserves have not been used in this rate increase demonstration. Minimum Statutory Claim reserves as of 12/31/2013 have been discounted to the date of incurral of each respective claim and included in the historical incurred claims. Incurred But Not Reported claim reserves as of 12/31/2013 have also been allocated to the calendar year of incurral and included in historic incurred claims.

16. Requested Rate Increase

The Company is requesting an average rate increase of 37.9%, which varies by issue age, benefit period, and inflation option, and ranges from 29.9% to 40.2%. Rate increases were derived as follows:

1. The Company first determined the projected lifetime loss ratio for this form based on nationwide actual experience and projected future experience assuming all prior rate increase requests were approved in full and within three months of the original filing date. We then determined the amount of rate increase (29.9%) that would be needed in order to revert to the lifetime loss ratio certified to in our 2010 inforce rate increase filing for this form.
2. We ensured that the proposed rate increases did not result in premium rates that exceed the most recent traditional LTC rates that have been filed with the Interstate Compact for new business under the ICC12-LTC-12 policy form, adjusted for benefit differences and changes in underwriting guidelines and risk classification (this is demonstrated in **Appendix A** using LTC-91 as an example). After the application of this restriction the average rate increase for the forms listed in this memo is 29.9%, ranging from 29.9% to 29.9%.
3. Rate increases were adjusted to account for the timing of approvals on prior filings in your State. Adjustments are proportional to the amounts requested in prior filings and were determined such that achieved lifetime loss ratios match those targeted in Step #1 above. After the application of this adjustment, the average rate increase for the forms listed in this memo is 37.9%, ranging from 29.9% to 40.2%.
4. We ensured that the resulting overall increase in rates satisfied the rate stability rule ensuring no less than an 85% loss ratio on the rate increase portion, while applying the original loss ratio on the original rate schedule (as the original loss ratio was higher than 58%). This is demonstrated at the bottom of **Exhibit 1** where it can be seen that the sum of past and future projected incurred claims is not less than the sum of the original premium times the original loss ratio and the rate increase premium times the 85% loss ratio requirement.

Note that in **Appendix A** we reflect the proposed premium rates both with and without any additional cost as we believe any cost due to delayed implementation should not be subject to the new business rate restrictions.

Appendix B1 contains the new proposed rate tables for all policy forms included with this filing for those policyholders that *did not* elect an inflation reduction option as part of the 2010 rate increase filings. **Appendix B2** contains the new proposed rate tables for all policy forms included with this filing for those policyholders that *did* elect an inflation reduction option as part of the 2010 rate increase filings. Please note that the actual rates implemented may vary slightly from those in Appendices B1 and B2 due to implementation rounding algorithms.

17. Analysis Performed

The initial premium schedule was based on the originally filed pricing assumptions which were believed to be appropriate, given company and industry experience available, when the initial rate schedule was developed.

The original pricing assumptions for morbidity, voluntary termination rates, and mortality were as follows:

Morbidity

Claim assumptions were derived using data published by the National Center for Health Statistics National Nursing Home Survey (1977 and 1985), the National Health Interview Survey (1979 and 1984), the National Long-Term Care Survey (1982), Medicare data; and other experience furnished to us by consultants, with adjustments due to the impact of underwriting, inflation options, elected options, anti-selection considerations, and the saving incurred because the maximum daily benefit will not always be paid.

Below are original sample annual claim costs for an LTC-91 policy, 100-day EP, $10 daily benefit, with Indexed Inflation option:

Mortality

The 1983 Group Annuity Mortality Table was used, weighted 40% males and 60% females.

As part of the inforce management of the business, the Company monitors the performance of the business by completing periodic analysis for morbidity, voluntary lapse rates and mortality. The findings from these analyses were used in projecting the inforce business to determine the effect of experience on the projected lifetime loss ratio. The most current studies show significant unfavorable trends since the study that prompted our 2010 rate increase filings. In general, we are seeing more, longer-lasting claims - claim incidence has increased, claim terminations have decreased, claim utilization has increased, and mortality rates have decreased.

The following tables show in aggregate how our new assumptions (Expected) compare to actual experience:

Morbidity

Experience period: Inception through 9/30/2012 for incidence, inception through 9/30/2011 for claim terminations and salvage

The following charts show key experience compared to revised assumptions.

In the recent study we noted that early duration lapses were greater than expected. As such, lapse rates for durations 1-5 were increased.

Note that the lapse study removed all policies which had undergone prior rate increases.

Exhibit 1 contains nationwide past premium and claims experience as well as future premium and claim projections. It illustrates that the anticipated lifetime loss ratio with the requested rate increase is 88.3%, well in excess of the minimum loss ratio of 60% as well as greater than the original pricing loss ratio of 67.3%. The lifetime loss ratio as of 12/31/2013 is calculated as the sum of accumulated past and discounted future claims divided by the sum of accumulated past and discounted future earned premium where accumulation and discounting occur at the maximum statutory valuation discount rate.

Exhibit 1 also contains the original expected loss ratio projections, adjusted for the actual mix of business issued, with the lifetime loss ratio also calculated as stated above.

Furthermore, **Exhibit 1** demonstrates that that the sum of the accumulated value of incurred claims without the inclusion of active life reserves, and the present value of future projected incurred claims, without the inclusion of active life reserves, will not be less than the sum of the following:

1. Accumulated value of the initial earned premium times the original assumed lifetime loss ratio (which was higher than 58%),
2. 85% of the accumulated value of prior premium rate schedule increases,
3. Present value of future projected initial earned premium times the original assumed lifetime loss ratio, and
4. 85% of the present value of future projected premium in excess of the projected initial earned premium.

18. New inflation options that will allow policyholders to avoid the rate increase

Although this is a closed block of business, we are filing new future inflation options that will allow policyholders that have Compound and Simple inflation coverage the option to completely avoid the rate increase. This option is not available to policyholders that have limited coverage, where benefit increases cease after 20 years or at attained age 85.

Under these new options, the policyholders get to keep their current accumulated Daily benefit and their current remaining Lifetime Maximum Benefit, but the future indexation rate will be reduced as follows:

- For policyholders that are currently receiving a 5% inflation benefit, the annual inflation rate will be reduced from 5% to a future annual rate of 3.7%
- For policyholders that have previously reduced their inflation rate in order to avoid a rate increase and are currently receiving an inflation benefit of 4.5% (i.e. those with policy forms LTC-94 VA), the future annual inflation rate will be reduced to 3.4%
- For policyholders that have previously reduced their inflation rate in order to avoid a rate increase and are currently receiving an inflation benefit of 3.6% (i.e. those with policy forms NH-94 VA), the future annual inflation rate will be reduced to 2.4%

The 3.7%, 3.4%, and 2.4% indexation rates were determined to be actuarially equivalent to the requested rate increases in aggregate and therefore these options are only available if the full rate increase requested is accepted.

The premium rate schedules for these options are included in this filing as **Appendices C1** and **C2.**

19. History of Previous Rate Revisions

A 13.0% rate increase on these policy forms was accepted by your state on July 17, 2009.

A 24.2% rate increase on these policy forms was accepted by your state on December 01, 2011.

20. Ensuring No Cross-Subsidization Between States

We have ensured no state's rate increase approvals will subsidize other states' experience. Rate increases will vary by state, but only to reflect the timing and amount of prior rate increases approved by that state. This is accomplished by first backing-out all prior rate increases from our nationwide premium data. We then re-introduce prior rate increases with the amount and timing based on your state's prior approvals (as detailed in Section 19). The current proposed rate increases are then determined based on the amounts needed in order to achieve our target loss ratios where our targets reflect the lifetime loss ratios certified to in our prior filing.

Although some states may have capped our previous inforce rate increase filings, in each case this was done with the understanding that the full amount of the proposed rate increases were justified and that John Hancock would be refiling for the remainder at a later date. In instances where the remainder remains unapproved, it has been included in the current filings.

21. Proposed Effective Date

These rates will be effective on the next policy anniversary date, following at least a 60 day policyholder notification period.

22. Actuarial Certification

I am a Fellow of the Society of Actuaries and a Member of the American Academy of Actuaries, and I meet the Academy's qualification standards for rendering this opinion and am familiar with the requirements for filing long-term care insurance premiums and filing for increases in long-term care insurance premiums. This memorandum has been prepared in conformity with all applicable Actuarial Standards of Practice, including ASOP No. 8.

I hereby certify that, to the best of my knowledge and judgement, this rate submission is in compliance with the applicable laws and regulations of the Commonwealth of Virginia and that the premiums are reasonable in relation to the benefits provided.

The preceding Actuarial Memorandum contains:

a) the assumptions on which this certification is based;
b) the adjustments to prior assumptions with an explanation of the reasons previous assumptions were not realized;
c) a lifetime projection of the prior premium rate schedules and incurred claims plus future expected premiums and claims which demonstrates that the revised premium rate schedule meets the loss ratios standards and necessary details of this state; and
d) disclosure of the manner, if any, in which reserves have been recognized.

In my opinion, no further rate increases will be necessary as the revised premium rate schedules are sufficient to cover anticipated costs assuming that the underlying assumptions are realized.

I have reviewed and taken into consideration the policy design and coverage provided, and our current underwriting and claims adjudication processes.

In forming my opinion, I have used actuarial assumptions and actuarial methods and such tests of the actuarial calculations as I considered necessary. Based on these assumptions or statutory requirements where necessary, the premium rate filing is in compliance with the loss ratio standards of this state.

The basis for contract reserves has been previously filed and there is no anticipation of any changes.

* Benefit Differences between LTC-91 (w/ FlexCare Rider) and ICC12-LTC-12:

LTC-91 is a two-pool policy, but with the addition of the FlexCare Rider, it becomes a one-pool policy. In this case, Benefit Periods 2, 3, and 5 become equivalent to ICC12-LTC-12 Benefit Periods 4, 6, and 10, respectively

LTC-91 has a 2 of 5 ADL trigger, ICC12-LTC-12 has a 2 of 6 ADL trigger

LTC-91 does not have the Double Coverage for Accident Benefit or Return of Premium Prior to 65 Benefit, the stay-at-home or respite benefits or coverage for a skilled family member

LTC-91 does not have the ability to convert from GPO to 5% Compound inflation option at age 65

LTC-91 rates are for a 100 service-day EP, ICC12-LTC-12 rates are for a 90 service-day EP

ICC12-LTC-12 underwriting guidelines and classification are stricter than for LTC-91

ICC12-LTC-12 10yr and Lifetime rates are approximated by applying the ratio of [LTC-03 Lifetime (or 10yr) / LTC-03 6yr] to the ICC12-LTC-12 6yr rates (LTC-03 was the last product in which we offered 10yr or Lifetime benefit period options)

ICC12-LTC-12 unisex rates are determined by assuming a 60% female / 40% male mix of business

Appendix A - Comparison to New Business Rates (Advantage Series)

Rates shown are for a 90/100-day EP, single, Standard policyholder, and are per $10 daily benefit

Inflation Option: 5% Simple Inflation

* Benefit Differences between LTC-91 (w/ FlexCare Rider) and ICC12-LTC-12:

LTC-91 is a two-pool policy, but with the addition of the FlexCare Rider, it becomes a one-pool policy. In this case, Benefit Periods 2, 3, and 5 become equivalent to ICC12-LTC-12 Benefit Periods 4, 6, and 10, respectively

LTC-91 has a 2 of 5 ADL trigger, ICC12-LTC-12 has a 2 of 6 ADL trigger

LTC-91 does not have the Double Coverage for Accident Benefit or Return of Premium Prior to 65 Benefit, the stay-at-home or respite benefits or coverage for a skilled family member

LTC-91 rates are for a 100 service-day EP, ICC12-LTC-12 rates are for a 90 service-day EP

ICC12-LTC-12 underwriting guidelines and classification are stricter than for LTC-91

ICC12-LTC-12 10yr and Lifetime rates are approximated by applying the ratio of [LTC-03 Lifetime (or 10yr) / LTC-03 6yr] to the ICC12-LTC-12 6yr rates (LTC-03 was the last product in which we offered 10yr or Lifetime benefit period options)

ICC12-LTC-12 Simple Inflation rates are approximated by applying the ratio of [LTC-03 Simple Inflation / LTC-03 Compound Inflation] to the ICC12-LTC-12 Compound Inflation rates

ICC12-LTC-12 unisex rates are determined by assuming a 60% female / 40% male mix of business

Appendix A - Comparison to New Business Rates (Advantage Series)

Rates shown are for a 90/100-day EP, single, Standard policyholder, and are per $10 daily benefit

Inflation Option: 5% Compound Inflation

* Benefit Differences between LTC-91 (w/ FlexCare Rider) and ICC12-LTC-12:

LTC-91 is a two-pool policy, but with the addition of the FlexCare Rider, it becomes a one-pool policy. In this case, Benefit Periods 2, 3, and 5 become equivalent to ICC12-LTC-12 Benefit Periods 4, 6, and 10, respectively

LTC-91 has a 2 of 5 ADL trigger, ICC12-LTC-12 has a 2 of 6 ADL trigger

LTC-91 does not have the Double Coverage for Accident Benefit or Return of Premium Prior to 65 Benefit, the stay-at-home or respite benefits or coverage for a skilled family member

LTC-91 rates are for a 100 service-day EP, ICC12-LTC-12 rates are for a 90 service-day EP

ICC12-LTC-12 underwriting guidelines and classification are stricter than for LTC-91

ICC12-LTC-12 10yr and Lifetime rates are approximated by applying the ratio of [LTC-03 Lifetime (or 10yr) / LTC-03 6yr] to the ICC12-LTC-12 6yr rates (LTC-03 was the last product in which we offered 10yr or Lifetime benefit period options)

ICC12-LTC-12 unisex rates are determined by assuming a 60% female / 40% male mix of business

Summary of the John Hancock's 2013 Rate Increase Request on Certain Individual Long-Term Care Insurance Policy Series

In 2013, John Hancock completed our latest comprehensive claims study, which we conduct every three years, and which examines the usage trends for an insured population. Like many carriers in this business, we have seen increased claims, and therefore there is more experience data available to predict future benefit usage by policyholders. As compared to our previous analysis, the new data shows that policyholders are living longer, their claims are lasting longer, and more people are claiming at the older ages. As a result, beginning late in 2013 John Hancock began the nationwide filing of an increase on certain of our individual John Hancock policy series which reflects the future claims expected on those policies by an average of about 25% on roughly half our business nationwide. John Hancock previously requested and implemented rate increases on certain individual long-term care policy series in 2008 and 2010.

Increases will vary by issue age, inflation, benefit period, policy series, and state. No policyholder who is subject to a 2013 increase will pay more in premiums than we currently charge for currently marketed products, subject to differences in benefits. The filing will vary by state based on the amount and timing of prior increases that we were permitted to implement in that state. In this way, policyholders are not subsidizing policyholders in other states.

In Virginia, on our pre-rate stability block of business, we are requesting an average rate increase of 34.5% which ranges from 21.6% to 40.8% This includes our Advantage, Gold, and a portion of the Custom Care I policy forms. On our post-rate stability block, we are requesting an average rate increase of 16.4% which ranges from 12.5% to 17.6%. This includes the remaining portion of the Custom Care I policy forms and the Custom Care II Enhanced products (2008 and 2010).

As with the 2010 rate action, there will be a number of benefit adjustment options to help keep premiums at or close to their current level. For example, policyholders who purchased automatic 5% compound or 5% simple inflation coverage will be offered reduced inflation coverage (subject to state acceptance) which allows them to retain the benefits they have accrued and avoid the increase completely. Customers can also reduce their benefit period, adjust their daily/monthly benefit amount, extend their elimination period, or drop riders from their coverage.

After the rate increase is accepted by the Virginia Insurance Department, affected policyholders will be provided with an extensive and personalized notification communication at least 60 days prior to the effective date, which will describe the increase and options available to mitigate the impact of the rate increase. In addition, customer support will be available through a dedicated customer service team in order to help our policyholders navigate through their choices and respond to any questions.
