ADMINISTRATIVE
LETTER

1979-19

Re: Commercial Multiple Peril Licensing
and Filing Requirements

Gentlemen:

Attached please find Administrative Letter 1979-18. It has come to our attention that you have adopted one of the Commercial Lines reference documents in question and are not licensed for all of the applicable lines of insurance. We request that you advise us of each line of insurance you are writing under Division Nine - Multiple Line and whether you are in compliance with this Administrative Letter. If you are not in compliance, please indicate what action you will take to comply with these requirements.

We will expect a prompt response.

Very truly yours,

James W. Newman, Jr.
