ORDER EXTENDING PROCEDURAL SCHEDULE

On August 4, 2016, EDF Energy Services, LLC ("EDF" or "Company"), filed an application ("Application") with the State Corporation Commission ("Commission") for a license to conduct business as a competitive service provider of electricity. On August 10, 2016, the Company amended its Application.

On August 11, 2016, the Commission issued an Order for Notice and Comment ("Procedural Order") which, among other things, established a procedural schedule for the Application; directed the Company to provide notice to certain utilities; provided an opportunity for interested persons to comment on the issues in the case; directed the Staff of the Commission ("Staff") to conduct an investigation of EDF's Application and present its findings in a report ("Staff Report"); and provided an opportunity for the Company to file a response to the Staff Report and any comments filed in this proceeding ("Response").

On August 31, 2016, the Company filed a letter requesting the Commission to extend the procedural schedule, stating that due to an administrative oversight the Company was unable to meet the deadline for the service of notice. EDF represents that the Staff does not object to this extension of the procedural schedule.
