Requirements for Surplus Lines Approval in Virginia for an Alien Insurer

Section 524 of the Nonadmitted and Reinsurance Reform Act (NRRA) of 2010 became effective on July 21, 2011. The Federal Act provides for the automatic approval of a nonadmitted insurer domiciled outside of the United States if the insurer is listed on the Quarterly Listing of Alien Insurers maintained by the International Insurers Department (IID) of the National Association of Insurance Commissioners (NAIC). Therefore, insurers appearing on the Quarterly Listing of Alien Insurers are deemed approved in Virginia.

The Bureau of Insurance no longer maintains a listing of approved alien surplus lines insurers in Virginia separate from the Quarterly Listing of Alien Insurers maintained by the International Insurers Department of the National Association of Insurance Commissioners.

All questions relating to the approval of surplus lines insurers in Virginia should be directed to:
