THE STATE CORPORATION COMMISSION

The State Corporation Commission is vested with regulatory authority over many business and economic interests in Virginia. These interests are as varied as the SCC's powers, which are delineated by the state constitution and state law.

The SCC's authority encompasses utilities, insurance, state-chartered financial institutions, securities, retail franchising, and railroads. It is the state's central filing office for corporations, limited partnerships, limited liability companies and Uniform Commercial Code liens.

The SCC's structure is unique in that it is organized as a separate department of government with delegated administrative, legislative, and judicial powers. SCC decisions can only be appealed to the Virginia Supreme Court.

THE BUREAU OF FINANCIAL INSTITUTIONS

The State Corporation Commission, Bureau of Financial Institutions is responsible under Title 6.1 of the Code of Virginia for the regulation and supervision of all state chartered banks, savings institutions, industrial loan associations, credit unions, consumer finance licensees, money order seller and money transmitter licensees, non-profit debt counseling agencies and mortgage lenders and brokers. With the exception of money order seller licensees, debt counseling agencies and mortgage lender/brokers, each institution is examined at least twice every three years. Mortgage lenders are examined at least once every three years. Additionally, check cashers are required to register with the Bureau.

Within the Bureau of Financial Institutions, the Corporate Structure and Research section is responsible for processing and investigating all applications for certificates of authority and licenses and for processing check casher registrations filed under Title 6.1 of the Code of Virginia. The Consumer Finance and Mortgage section is responsible for the supervision of licensed mortgage lenders and brokers, consumer finance companies, industrial loan associations, money order seller and money transmitter licensees and non-profit debt counseling agencies.

As of December 31, 2000, the Bureau of Financial Institutions regulated 584 mortgage brokers with 988 offices, 123 mortgage lenders with 511 offices, 217 mortgage lenders and brokers with 752 offices, 8 industrial loan associations, 37 money order sellers and money transmitters, 15 non-profit debt counseling agencies with 58 offices, and 38 check cashers.

During 2000, the Bureau of Financial Institutions received and/or acted upon 1,129 applications for licenses, additional offices and relocation of existing offices, and for permission to acquire control of existing licensees pursuant to the Mortgage Lender and Broker Act, 17 money order seller and money transmitter applications, 4 additional office applications of non-profit debt counseling agencies, and 6 check casher registrations.
