THE STATE CORPORATION COMMISSION

The Constitution of Virginia establishes the State Corporation Commission as a specific department of State Government. The Commission sets electric and intrastate telephone utility rates, regulates the insurance industry, all state chartered financial institutions, rail transportation and investment securities. The Commission also assesses public service corporations for state and local taxation as well as charters all domestic and foreign corporations doing business in Virginia. The primary reason for the Commission's existence is to administer the laws which promote fair and equitable treatment of the public by all businesses which are deemed by the Commonwealth to provide a vital public service.

THE BUREAU OF FINANCIAL INSTITUTIONS

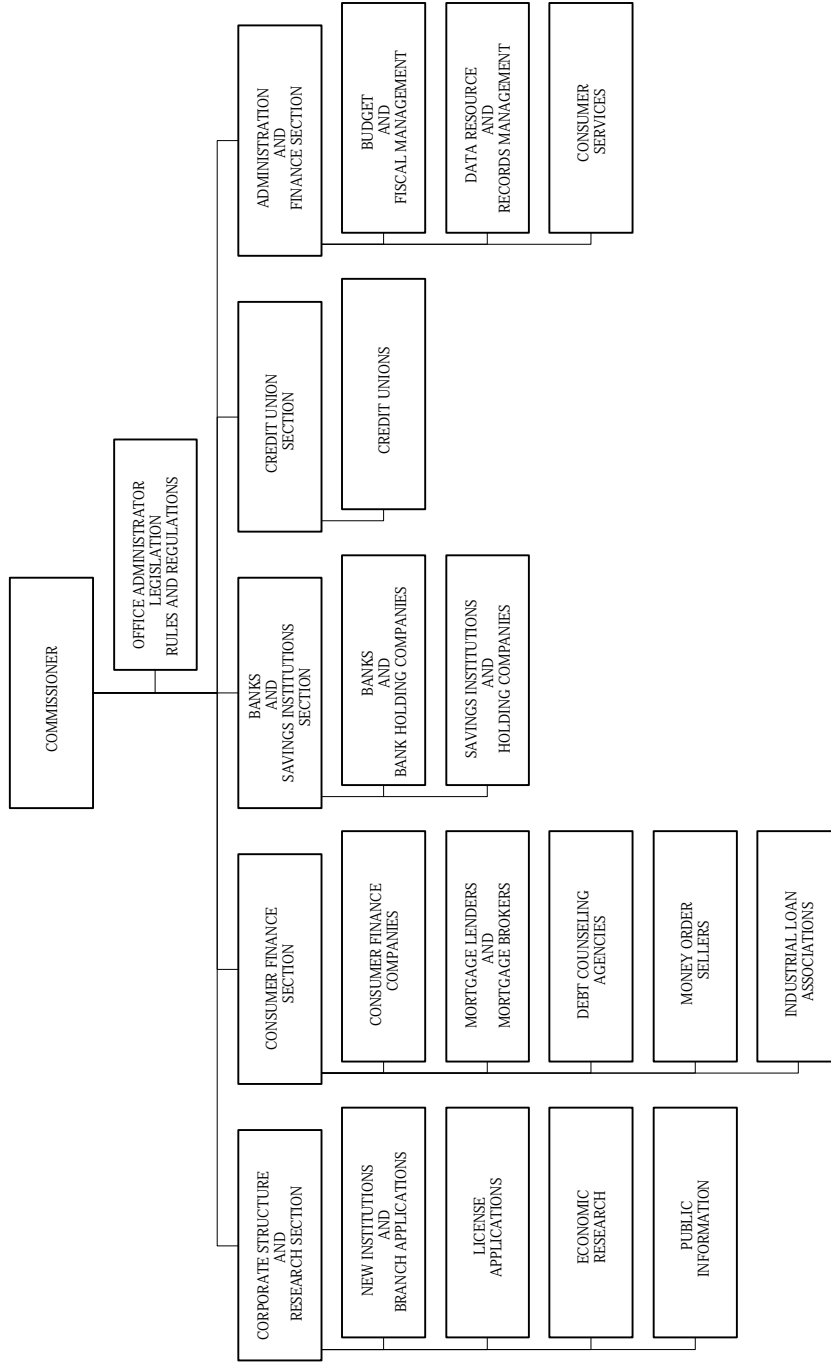

The State Corporation Commission, Bureau of Financial Institutions is responsible under Title 6.1 of the Code of Virginia for the regulation and supervision of all state chartered banks, savings institutions, industrial loan associations, credit unions, consumer finance licensees, money order seller licensees, non-profit debt counseling agencies and mortgage lenders and brokers. With the exception of money order seller licensees, debt counseling agencies and mortgage lender/brokers, each institution is examined at least twice every three years. Mortgage lenders are examined at least once every three years. Additionally, check cashers are required to register with the Bureau.

Within the Bureau of Financial Institutions, the Corporate Structure and Research section is responsible for processing and investigating all applications for certificates of authority and licenses and for processing check casher registrations filed under Title 6.1 of the Code of Virginia. The Consumer Finance and Mortgage section is responsible for the supervision of licensed mortgage lenders and brokers, consumer finance companies, industrial loan associations, money order seller licensees and non-profit debt counseling agencies.

As of December 31, 1997, the Bureau of Financial Institutions regulated 391 mortgage brokers with 508 offices, 119 mortgage lenders with 501 offices, 208 mortgage lenders and brokers with 651 offices, 8 industrial loan associations, 24 money order sellers, 12 non-profit debt counseling agencies with 54 offices, and 31 check cashers.

During 1997, the Bureau of Financial Institutions received and/or acted upon 777 applications for licenses, additional offices and relocation of existing offices, mortgage lender and broker additional authority, and for permission to acquire control of existing licensees pursuant to the Mortgage Lender and Broker Act, 7 money order seller applications, 4 applications for new non-profit debt counseling agencies, 7 additional office or relocation of existing office applications of non-profit debt counseling agencies, and 4 check casher registrations.
