THE STATE CORPORATION COMMISSION

The State Corporation Commission (“Commission”) is an independent state agency established by the Constitution of Virginia. The Commission is organized as a fourth branch of government with its own legislative, administrative, and judicial powers. The Commission’s authority encompasses utilities, insurance, financial institutions, securities, retail franchising, and railroad safety. It is the state’s central filing office for corporations, limited partnerships, limited liability companies and Uniform Commercial Code liens. The Commission also assesses public service corporations for state and local taxation.

THE BUREAU OF FINANCIAL INSTITUTIONS

The State Corporation Commission’s Bureau of Financial Institutions (“Bureau”) is responsible under Title 6.1 of the Code of Virginia for the regulation and supervision of all depository and non-depository financial institutions. Depository institutions are comprised of state-chartered banks, savings institutions, and credit unions. Non-depository institutions consist of trust companies, industrial loan associations, consumer finance companies, mortgage lenders and brokers, money order sellers and money transmitters, credit counseling agencies, check cashers and payday lenders. Each is required to obtain a license from the Commission, with the exception of check cashers, which are required to register pursuant to Chapter 17 of Title 6.1 of the Code of Virginia (“Check Casher Act”).

Within the Bureau, the Corporate Structure and Research section is responsible for processing and investigating all applications filed by depository and non-depository financial institutions for certificates of authority and licenses, and for processing check casher registrations. The Consumer Finance and Mortgage section is responsible for the supervision (examination) of all non-depository institutions, with the exception of trust companies. The Credit Union section supervises credit unions and the Banks and Savings Institutions section supervises banks, savings institutions, and trust companies.

Chapter 18 of Title 6.1 of the Code of Virginia, the “Payday Loan Act”, became effective July 1, 2002. The Act requires non-exempt persons wishing to engage in business as a payday lender to first obtain a license from the Commission. A payday loan is defined as a small, short-maturity loan on the security of (i) a check, (ii) any form of assignment of an interest in the account of an individual or individuals at a depository institution, or (iii) any form of assignment of income payable to an individual or individuals, other than loans based on income tax refunds. Loans are limited to a maximum of \$500 and must have a minimum maturity of seven days. Renewals or extensions of loans are not permitted. With the exception of a registered check cashing business, which is specifically authorized by statute, licensees are not allowed to conduct other businesses in a licensed payday loan office unless approved by the Commission.

As of December 31, 2006, the Bureau of Financial Institutions regulated 84 payday lenders operating 791 offices and 301 check cashers. During 2006, the Bureau of Financial Institutions received and/or acted upon 144 applications for licenses, additional offices and relocation of existing offices pursuant to the Payday Loan Act, and 111 check casher registrations.
