THE STATE CORPORATION COMMISSION

The State Corporation Commission (“Commission”) is an independent state agency established by the Constitution of Virginia. The Commission is organized as a fourth branch of government with its own legislative, administrative, and judicial powers. The Commission’s authority encompasses utilities, insurance, financial institutions, securities, retail franchising, and railroad safety. It is the state's central filing office for corporations, limited partnerships, limited liability companies and Uniform Commercial Code liens. The Commission also assesses public service corporations for state and local taxation.

THE BUREAU OF FINANCIAL INSTITUTIONS

The State Corporation Commission’s Bureau of Financial Institutions (“Bureau”) is responsible under Title 6.1 of the Code of Virginia for the regulation and supervision of all depository and non-depository financial institutions. Depository institutions are comprised of state-chartered banks, savings institutions, and credit unions. Non-depository institutions consist of trust companies, industrial loan associations, consumer finance companies, mortgage lenders and brokers, money order sellers and money transmitters, nonprofit credit counseling agencies, check cashers and payday lenders. Each is required to obtain a license from the Commission, with the exception of check cashers, which are required to register pursuant to Chapter 17 of Title 6.1 of the Code of Virginia.

Within the Bureau, the Corporate Structure and Research section is responsible for processing and investigating all applications filed by depository and non-depository financial institutions for certificates of authority and licenses, and for processing check cashier registrations. The Consumer Finance and Mortgage section is responsible for the supervision (examination) of all non-depository institutions, with the exception of trust companies. The Credit Union section supervises credit unions and the Banks and Savings Institutions section supervises banks, savings institutions, and trust companies.

As of December 31, 2004, the Bureau of Financial Institutions regulated 1,029 mortgage brokers with 1,852 offices, 143 mortgage lenders with 491 offices, 404 mortgage lenders and brokers with 2,481 offices, 6 industrial loan associations, 53 money order sellers, 36 non-profit credit counseling agencies with 75 offices.

During 2004, the Bureau of Financial Institutions received and/or acted upon 2,674 applications for licenses, additional offices and relocation of existing offices, and for permission to acquire control of existing licensees pursuant to the Mortgage Lender and Broker Act, 40 money order seller and money transmitter applications, and 48 new license applications and 9 additional office applications of non-profit credit counseling agencies.
