THE STATE CORPORATION COMMISSION

The State Corporation Commission ("Commission") is an independent state agency established by the Constitution of Virginia. The Commission is organized as a fourth branch of government with its own legislative, administrative, and judicial powers. The Commission’s authority encompasses utilities, insurance, financial institutions, securities, retail franchising, and railroad safety. It is the state's central filing office for corporations, limited partnerships, limited liability companies and Uniform Commercial Code liens. The Commission also assesses public service corporations for state and local taxation.

THE BUREAU OF FINANCIAL INSTITUTIONS

The State Corporation Commission’s Bureau of Financial Institutions ("Bureau") is responsible under Title 6.1 of the Code of Virginia for the regulation and supervision of all depository and non-depository financial institutions. Depository institutions are comprised of state-chartered banks, savings institutions, and credit unions. Non-depository institutions consist of trust companies, industrial loan associations, consumer finance companies, mortgage lenders and brokers, money transmitters, credit counseling agencies, check cashers and payday lenders. Each is required to obtain a license from the Commission, with the exception of check cashers, which are required to register pursuant to Chapter 17 of Title 6.1 of the Code of Virginia.

Within the Bureau, the Corporate Structure and Research section is responsible for processing and investigating all applications filed by depository and non-depository financial institutions for certificates of authority and licenses, and for processing check cashier registrations. The Consumer Finance and Mortgage section is responsible for the supervision (examination) of all non-depository institutions, with the exception of trust companies. The Credit Union section supervises credit unions and the Banks and Savings Institutions section supervises banks, savings institutions, and trust companies.

As of December 31, 2005, the Bureau of Financial Institutions regulated 1,267 mortgage brokers with 2,228 offices, 149 mortgage lenders with 486 offices, 520 mortgage lenders and brokers with 2,846 offices, 6 industrial loan associations, 57 money transmitters, and 39 credit counseling agencies with 69 offices.

During 2005, the Bureau of Financial Institutions received and/or acted upon 3,021 applications for licenses, additional offices and relocation of existing offices, and for permission to acquire control of existing licensees pursuant to the Mortgage Lender and Broker Act, 46 money transmitter applications, and 53 applications for licenses and additional offices for credit counseling agencies.
