THE STATE CORPORATION COMMISSION

The State Corporation Commission (“Commission”) is an independent state agency established by the Constitution of Virginia. The Commission is organized as a fourth branch of government with its own legislative, administrative, and judicial powers. The Commission’s authority encompasses utilities, insurance, financial institutions, securities, retail franchising, and railroad safety. It is the state’s central filing office for corporations, limited partnerships, limited liability companies and Uniform Commercial Code liens. The Commission also assesses public service corporations for state and local taxation.

THE BUREAU OF FINANCIAL INSTITUTIONS

The State Corporation Commission’s Bureau of Financial Institutions (“Bureau”) is responsible under Title 6.1 of the Code of Virginia for the regulation and supervision of all depository and non-depository financial institutions. Depository institutions are comprised of state-chartered banks, savings institutions, and credit unions. Non-depository institutions consist of trust companies, industrial loan associations, consumer finance companies, mortgage lenders and brokers, money transmitters, credit counseling agencies, check cashers and payday lenders. Each is required to obtain a license from the Commission, with the exception of check cashers, which are required to register pursuant to Chapter 17 of Title 6.1 of the Code of Virginia (“Check Casher Act”).

Within the Bureau, the Corporate Structure and Research section is responsible for processing and investigating all applications filed by depository and non-depository financial institutions for certificates of authority and licenses, and for processing check casher registrations. The Corporate Structure and Research section is also responsible for the supervision (examination) of money transmitters. The Consumer Finance and Mortgage section is responsible for the supervision of non-depository institutions, with the exception of money transmitters and trust companies. The Credit Union section supervises credit unions and the Banks and Savings Institutions section supervises banks, savings institutions, and trust companies.

As of December 31, 2008, the Bureau of Financial Institutions regulated 1,219 mortgage brokers with 2,033 offices, 75 mortgage lenders with 243 offices, 381 mortgage lenders and brokers with 1,461 offices, 5 industrial loan associations, 69 money transmitters, and 38 credit counseling agencies with 204 offices.

During 2008, the Bureau of Financial Institutions received and/or acted upon 1,619 applications for licenses, additional offices and relocation of existing offices, and for permission to acquire control of existing licensees pursuant to the Mortgage Lender and Broker Act; 22 money transmitter applications; and 126 applications for licenses, additional offices and relocation of existing offices of credit counseling agencies.
