THE STATE CORPORATION COMMISSION

The State Corporation Commission (“Commission”) is an independent state agency established by the Constitution of Virginia. The Commission is organized as a fourth branch of government with its own legislative, administrative, and judicial powers. The Commission’s authority encompasses utilities, insurance, financial institutions, securities, retail franchising, and railroad safety. It is the state’s central filing office for corporations, limited partnerships, limited liability companies and Uniform Commercial Code liens. The Commission also assesses public service corporations for state and local taxation.

THE BUREAU OF FINANCIAL INSTITUTIONS

The State Corporation Commission’s Bureau of Financial Institutions (“Bureau”) is responsible under Title 6.2 of the Code of Virginia for the regulation and supervision of all depository and non-depository financial institutions. Depository institutions are comprised of state-chartered banks, savings institutions, and credit unions. Non-depository institutions consist of trust companies, industrial loan associations, consumer finance companies, mortgage lenders and brokers, mortgage loan originators, money transmitters, credit counseling agencies, check cashers, payday lenders and motor vehicle title lenders. Each is required to obtain a license from the Commission, with the exception of check cashers, which are required to register pursuant to Chapter 21 of Title 6.2 of the Code of Virginia.

Within the Bureau, the Corporate Structure and Research section is responsible for processing and investigating all applications filed by depository and non-depository financial institutions for certificates of authority and licenses, and for processing check casher registrations. The Consumer Finance and Mortgage section is responsible for the supervision (examination) of non-depository institutions, with the exception of trust companies. The Credit Union section supervises credit unions and the Banks and Savings Institutions section supervises banks, savings institutions, and trust companies.

As of December 31, 2011, the Bureau of Financial Institutions regulated 406 mortgage brokers with 957 offices, 93 mortgage lenders with 434 offices, 225 mortgage lenders and brokers with 1,363 offices, 5 industrial loan associations, 72 money transmitters, 38 credit counseling agencies with 253 offices and 6,618 mortgage loan originators.

During 2011, the Bureau received and/or acted upon 24 applications for money transmitter licenses or for permission to acquire control of existing money transmitter licensees and 88 applications for licenses, additional offices and relocation of existing offices of credit counseling agencies. In the mortgage area, the Bureau received 654 applications for mortgage lender/broker licenses, additional mortgage lender/broker offices and relocation of existing offices, and for permission to acquire control of existing mortgage lender/broker licensees; 2,179 applications for mortgage loan originator licenses; and 13 exempt mortgage lender/broker registrations. In addition, existing mortgage lender/broker licensees were required to transition their company and branch office licensing records onto NMLS during the year. The Bureau processed transition requests for 654 mortgage broker licenses, 339 mortgage lender licenses and 1,063 branch offices over the course
