THE STATE CORPORATION COMMISSION

The State Corporation Commission ("Commission") is an independent state agency established by the Constitution of Virginia. The Commission is organized as a fourth branch of government with its own legislative, administrative, and judicial powers. The Commission’s authority encompasses utilities, insurance, financial institutions, securities, retail franchising, and railroad safety. It is the state's central filing office for corporations, limited partnerships, limited liability companies and Uniform Commercial Code liens. The Commission also assesses public service corporations for state and local taxation.

THE BUREAU OF FINANCIAL INSTITUTIONS

The State Corporation Commission’s Bureau of Financial Institutions ("Bureau") is responsible under Title 6.2 of the Code of Virginia for the regulation and supervision of all depository and non-depository financial institutions. Depository institutions are comprised of state-chartered banks, savings institutions, and credit unions. Non-depository institutions consist of trust companies, industrial loan associations, consumer finance companies, mortgage lenders and brokers, mortgage loan originators, money transmitters, credit counseling agencies, check cashers, payday lenders and motor vehicle title lenders. Each is required to obtain a license from the Commission, with the exception of check cashers, which are required to register pursuant to Chapter 21 of Title 6.2 of the Code of Virginia.

Within the Bureau, the Corporate Structure and Research section is responsible for processing and investigating all applications filed by depository and non-depository financial institutions for certificates of authority and licenses, and for processing check casher registrations. The Consumer Finance and Mortgage section is responsible for the supervision (examination) of non-depository institutions, with the exception of trust companies. The Credit Union section supervises credit unions and the Banks and Savings Institutions section supervises banks, savings institutions, and trust companies.

As of December 31, 2012, the Bureau of Financial Institutions regulated 408 mortgage brokers with 928 offices, 94 mortgage lenders with 455 offices, 222 mortgage lenders and brokers with 1,405 offices, 5 industrial loan associations, 69 money transmitters, 39 credit counseling agencies with 248 offices and 8,116 mortgage loan originators.

During 2012, the Bureau received and/or acted upon 16 applications for money transmitter licenses or for permission to acquire control of existing money transmitter licensees and 46 applications for licenses, additional offices and relocation of existing offices of credit counseling agencies. In the mortgage area, the Bureau received 515 applications for mortgage lender/broker licenses, additional mortgage lender/broker offices, and for permission to acquire control of existing mortgage lender/broker licensees; 2,890 applications for mortgage loan originator licenses; 1 exempt mortgage lender/broker registration; and 2 determinations of a bona fide nonprofit organization.

The following table illustrates status changes for all mortgage-related licensees and registrants during 2012:
