THE STATE CORPORATION COMMISSION

The State Corporation Commission ("Commission") is an independent state agency established by the Constitution of Virginia. The Commission is organized as a fourth branch of government with its own legislative, administrative, and judicial powers. The Commission's authority encompasses utilities, insurance, financial institutions, securities, retail franchising, and railroad safety. It is the state's central filing office for corporations, limited partnerships, limited liability companies and Uniform Commercial Code liens. The Commission also assesses public service corporations for state and local taxation.

THE BUREAU OF FINANCIAL INSTITUTIONS

The State Corporation Commission’s Bureau of Financial Institutions ("Bureau") is responsible under Title 6.2 of the Code of Virginia for the regulation and supervision of all depository and non-depository financial institutions. Depository institutions are comprised of state-chartered banks, savings institutions, and credit unions. Non-depository institutions consist of trust companies, industrial loan associations, consumer finance companies, mortgage lenders and brokers, mortgage loan originators, money transmitters, credit counseling agencies, check cashers, payday lenders and motor vehicle title lenders. Each is required to obtain a license from the Commission, with the exception of check cashers, which are required to register pursuant to Chapter 21 of Title 6.2 of the Code of Virginia.

Within the Bureau, the Administration & Licensing section is responsible for processing and investigating all applications filed by depository and non-depository financial institutions for certificates of authority and licenses, and for processing check cashier registrations. The Non-Depository Supervision section is responsible for the supervision (examination) of all non-depository institutions, with the exception of trust companies. The Depository Supervision section supervises banks, credit unions, savings institutions and trust companies.

Chapter 15 of Title 6.2 of the Code of Virginia authorizes licensees to make consumer (non-business) installment loans at annual interest rates greater than 12 percent. The Chapter covers such loans made from locations within the Commonwealth. Borrowers of $2,500 or less may be charged a maximum annual percentage rate of 36 percent. Any amount agreed upon in writing may be charged on loans of over $2,500. A consumer finance licensee may not conduct any other business in its licensed offices unless it first gives 30 days written notice to the Commission.

As of December 31, 2017, the Bureau of Financial Institutions regulated 22 consumer finance companies operating 255 offices. During 2017, the Bureau of Financial Institutions received 19 applications for licenses, additional offices and relocations of existing offices pursuant to Chapter 15, Title 6.2 of the Code of Virginia. In addition, the Bureau received 11 notifications to conduct consumer finance business and other business at the same location.
