THE STATE CORPORATION COMMISSION

The State Corporation Commission ("Commission") is an independent state agency established by the Constitution of Virginia. The Commission is organized as a fourth branch of government with its own legislative, administrative, and judicial powers. The Commission’s authority encompasses utilities, insurance, financial institutions, securities, retail franchising, and railroad safety. It is the state's central filing office for corporations, limited partnerships, limited liability companies and Uniform Commercial Code liens. The Commission also assesses public service corporations for state and local taxation.

THE BUREAU OF FINANCIAL INSTITUTIONS

The State Corporation Commission’s Bureau of Financial Institutions ("Bureau") is responsible under Title 6.1 of the Code of Virginia for the regulation and supervision of all depository and non-depository financial institutions. Depository institutions are comprised of state-chartered banks, savings institutions, and credit unions. Non-depository institutions consist of trust companies, industrial loan associations, consumer finance companies, mortgage lenders and brokers, money order sellers and money transmitters, nonprofit credit counseling agencies, check cashers and payday lenders. Each is required to obtain a license from the Commission, with the exception of check cashers, which are required to register pursuant to Chapter 17 of Title 6.1 of the Code of Virginia ("Check Casher Act").

Within the Bureau, the Corporate Structure and Research section is responsible for processing and investigating all applications filed by depository and non-depository financial institutions for certificates of authority and licenses, and for processing check casher registrations. The Consumer Finance and Mortgage section is responsible for the supervision (examination) of all non-depository institutions, with the exception of trust companies. The Credit Union section supervises credit unions and the Banks and Savings Institutions section supervises banks, savings institutions, and trust companies.

Chapter 18 of Title 6.1 of the Code of Virginia, the “Payday Loan Act”, became effective July 1, 2002. The Act requires non-exempt persons wishing to engage in business as a payday lender to first obtain a license from the Commission. A payday loan is defined as a small, short-maturity loan on the security of (i) a check, (ii) any form of assignment of an interest in the account of an individual or individuals at a depository institution, or (iii) any form of assignment of income payable to an individual or individuals. Regulation 10VAC5-200-80 limits the security for a payday loan to a check payable to the lender. Loans are limited to a maximum of $500 and must have a minimum maturity of seven days. Renewals or extensions of loans are not permitted. With the exception of a registered check cashing business, which is specifically authorized by statute, licensees are not allowed to conduct other businesses in a licensed payday loan office unless approved by the Commission.

As of December 31, 2004, the Bureau of Financial Institutions regulated 78 payday lenders operating 696 offices and 156 check cashers operating 654 offices. During 2004, the Bureau of Financial Institutions received and/or acted upon 23 applications for new licenses, 120 additional office applications and 15 applications for the relocation of existing offices pursuant to the Payday Loan Act and 53 check casher registrations.
