TO THE SECRETARY OF THE MUTUAL ASSESSMENT
FIRE INSURANCE COMPANY ADDRESSED:

Re: Policy Form Filings

The maintenance of Mutual Assessment Fire Insurance Company Policy Form Filings and Records is being transferred to the Property and Casualty Division of the Bureau.

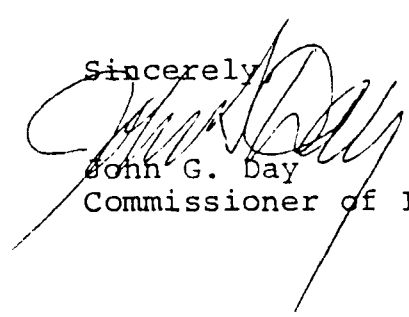

A review of the permanent files of several such Companies indicates that our files are incomplete and, in some cases, out-of-date.

To insure that we have a complete, current file, as contemplated by the statutes, of all policy forms being issued by this Company, you should forward to us, on or before August 1, 1978, a copy of each policy, endorsement and application form presently being issued or used.

Further, in order that a complete, up-to-date file of all policies, endorsements and application forms be maintained by the Bureau as regards this Company, any modification or withdrawal of any of the foregoing, and any new form of any nature proposed to be used, should also be filed with this office.

I appreciate your assistance in this regard.

Sincerely,

John G. Day
Commissioner of Insurance
