ORDER FOR NOTICE AND COMMENT

On April 11, 2016, Diversegy, LLC ("Diversegy" or "Company"), filed an application with the State Corporation Commission ("Commission") for a license to conduct business as an aggregator for natural gas ("Application"). In its Application, the Company seeks authority to serve eligible residential, commercial, and industrial customers in the service territories of Washington Gas Light Company ("WGL"), including the Shenandoah Gas Division of WGL, and Columbia Gas of Virginia, Inc. ("CGV").¹ The Company attested that it would abide by all applicable regulations of the Commission as required by 20 VAC 5-312-40 B of the Commission's Rules Governing Retail Access to Competitive Energy Services.²

NOW THE COMMISSION, upon consideration of the Application, is of the opinion and finds that it should docket Diversegy's Application; that Diversegy should serve this Order upon appropriate persons; that the Commission's Staff ("Staff") should conduct an investigation of the Application and present its findings in a report ("Staff Report"); and that interested persons should have an opportunity to comment on the Application.

¹ Retail choice only exists in the service territories of WGL and CGV. Access to large commercial and industrial customers in all gas distribution service territories has existed under authority of the Federal Energy Regulatory Commission since the mid-1980s.
