2017 MAY 11 - A 11: 56

APPLICATION OF

VIRGINIA ELECTRIC AND POWER COMPANY

CASE NO. PUR-2017-00057

For approval of a rate adjustment clause pursuant  
to § 56-585.1 A 4 of the Code of Virginia

ORDER FOR NOTICE AND HEARING

On May 4, 2017, Virginia Electric and Power Company d/b/a Dominion Virginia Power ("Dominion" or "Company"), pursuant to § 56-585.1 A 4 ("Subsection A 4") of the Code of Virginia ("Code"), filed an application ("Application") with the State Corporation Commission ("Commission") for approval of a rate adjustment clause designated as Rider T1.

Subsection A 4 deems to be prudent the "costs for transmission services provided to the utility by the regional transmission entity of which the utility is a member" and "costs charged to the utility that are associated with demand response programs approved by the Federal Energy Regulatory Commission [("FERC")] and administered by the regional transmission entity of which the utility is a member."

The Company has been a member of PJM Interconnection, L.L.C. ("PJM"), a regional transmission entity that has been approved by FERC as a regional transmission organization, since 2005.<sup>1</sup> Dominion, as an integrated electric utility member of PJM, obtains transmission service from PJM and pays PJM charges for such service at the rates contained in PJM's Open Access Transmission Tariff approved by FERC.<sup>2</sup> The Company states that it also pays PJM

charges for costs associated with demand response programs approved by FERC and administered by PJM.<sup>3</sup>

In this proceeding, Dominion seeks approval of a revenue requirement for the rate year September 1, 2017, through August 31, 2018 ("Rate Year").<sup>4</sup> This revenue requirement, if approved, would be recovered through a combination of base rates and a revised increment/decrement Rider T1. Rider T1 is designed to recover the increment/decrement between the revenues produced from the transmission component of base rates and the new revenue requirement developed from the Company's total transmission costs for the Rate Year.<sup>5</sup>

The total revenue requirement to be recovered over the Rate Year is \$625,361,637, comprising an increment Rider T1 of \$134,891,545 and forecast collections of \$490,470,092 through the transmission component of base rates.<sup>6</sup> This total revenue requirement represents a decrease of \$55,380,805 compared to the revenues projected to be produced during the Rate Year by the combination of the base rate component of Subsection A 4 (the Company's former Rider T) and the Rider T1 rates currently in effect.<sup>7</sup> Implementation of the proposed Rider T1 on September 1, 2017, would decrease the average weighted monthly bill of a residential customer using 1,000 kilowatt-hours per month by \$2.07.<sup>8</sup>

Dominion also requests a waiver of Rules 20 VAC 5-201-60 ("Rule 60") and 20 VAC 5-201-90 ("Rule 90") of the Commission's Rules Governing Utility Rate Applications

and Annual Informational Filings ("Rate Case Rules") with respect to Schedule 45.<sup>9</sup> Rule 60 of the Rate Case Rules requires that an application filed pursuant to Subsection A 4 include Schedule 45, "Return on Equity Peer Group Benchmark," with the utility's direct testimony. Rule 90 of the Rate Case Rules states that Schedule 45 must include, "documentation supporting the return on equity benchmark proposed pursuant to § 56-585.1 A 2 a and b of the Code . . . ." In support of its request for waiver of Schedule 45, Dominion states that it is not requesting treatment of any costs that would require the Commission to determine an applicable return on equity.<sup>10</sup>

NOW THE COMMISSION, upon consideration of this matter, is of the opinion and finds that this matter should be docketed; Dominion should provide public notice of its Application; a public hearing should be scheduled for the purpose of receiving testimony and evidence on the Application; interested persons should have an opportunity to file comments on the Application or to participate as respondents in this proceeding; and the Commission's Staff ("Staff") should be directed to investigate the Application and file testimony and exhibits containing its findings and recommendations thereon. Further, we find that a Hearing Examiner should be assigned to conduct all further proceedings in this matter on behalf of the Commission, including filing a final report containing the Hearing Examiner's findings and recommendations. Finally, we grant Dominion's request to waive the filing of Schedule 45 for purposes of commencing this proceeding.

Accordingly, IT IS ORDERED THAT:

(1) This matter hereby is docketed and assigned Case No. PUR-2017-00057.
