ADMINISTRATIVE LETTER 2009-04

To: **All Companies Licensed In Virginia To Write Accident And Sickness Insurance, All Health Maintenance Organizations Licensed In Virginia, And All Health Services Plans Licensed In Virginia**

Re: **Virginia Small Employer Group Health Insurance Medical History Form**

In accordance with the provisions of House Bill 728 approved by the Virginia General Assembly during its 2008 legislative session, the Bureau of Insurance (the Bureau), with the assistance of a number of interested parties, has developed the *Virginia Small Employer Group Health Insurance Medical History Form*, a copy of which is attached to this letter. This form may be used by small employers submitting group health insurance applications to, or seeking rate and coverage information from, one or more insurers. Use of the form, which **is completely voluntary**, is intended to relieve small employers and their employees of the burden of completing multiple forms.

Provided this form is used in the exact format attached with no modifications except as otherwise noted below, insurers may use the form immediately without obtaining approval from the Bureau. The form is exempt from filing and approval requirements, in accordance with Virginia Code § 38.2-316 I.

Insurers, Health Services Plans, and Health Maintenance Organizations opting to use and accept this form should prepare and communicate their instructions for use and acceptance of the form to their respective agents and other interested parties. While it will generally be up to carriers to prepare and communicate instructions and guidelines for use of the form, the Bureau does expect and require all carriers to comply with the following general requirements:

- The full and proper corporate name of the insurer, health services plan or health maintenance organization must be recorded in Section 5 of the form. It is acceptable for a carrier to pre-print forms with the full and corporate name included, but sufficient space must be allowed for the entry of other carriers as well.
- Carriers are encouraged to include within their instructions for completion and return of the form, a prominent statement to the effect that completed forms should not, under any circumstances, be submitted to the Bureau.
- The type-size used in the form may be enlarged if a carrier so chooses, but it may not be reduced. Text may not be altered or changed.

- The form may be placed on a carrier's website or other electronic medium provided the format is not changed, or only minimal formatting changes are made to accommodate website specifications.

The Bureau will periodically survey carriers concerning their use of this form, and will review and revise this form, as appropriate, to ensure its ongoing compliance with applicable statutory and regulatory requirements and to ensure that it meets the needs of the insurers and small employers using it. Changes to the form will be communicated to insurers and interested parties by Administrative Letter.
