

## Long-Term Care Policies

This list is given to you for informational purposes only and does not constitute an endorsement by the State Corporation Commission of any policy or service or of any person or organization offering any policy or service.

**Part I** of this list identifies companies with one or more individual long-term care policy forms approved for sale in Virginia as of January 1, 1992. **Part II** of this list identifies companies with approved individual long-term care partnership policies. Long-term care partnership policies may be issued in Virginia on and after September 1, 2007.

For more detailed information about long-term care insurance and the Long-Term Care Partnership program in Virginia, please refer to the Bureau of Insurance's "*Facts About Long-Term Care Insurance in Virginia*". <http://www.scc.virginia.gov/division/boi/webpages/inspagedocs/lcfacts.pdf>

**The fact that a company has one or more approved forms does not necessarily mean the company is actively selling these policies in Virginia.** You should contact the listed companies for verification of availability in Virginia. All of the information provided is subject to change. Please note the date of revision at the top of each page.

Any company that has only group long-term care policy and certificate forms approved for sale in Virginia or has issued a policy to an association (i.e., AARP) or to a group policyholder not located in Virginia may not appear on this list. Also, there may be other companies that offer long-term care insurance in this state. You can contact the Bureau of Insurance for further information at 1-877-310-6560 (Richmond residents dial 371-9691).

Companies on **Part I** of this list with one or more *federally qualified long-term care policies* are designated with a "√" in the column entitled "Qualified Long-Term Care Policies". No such designation appears on **Part II** of the list because long-term care partnership products are all qualified. Premiums and/or benefits under Qualified Long-Term Care Policies may qualify for favorable tax treatment. If you have questions about the tax status of the long-term care policy that you are considering purchasing, you should contact your agent or the insurance company. If you have questions on how the purchase of a qualified long-term care policy will impact the taxes you pay, you should consult with your tax advisor.
