Note

Consulting with an accountant or a tax professional before organizing a for-profit business as a Virginia nonstock corporation is recommended. If the corporation intends to obtain tax-exempt status under the Internal Revenue Code, refer to IRS Publication 557, “Tax-Exempt Status for Your Organization.” The articles of incorporation must include certain provisions found within the publication. Clerk’s Office Form SCC819NP may be a helpful template for preparing such articles.

Specific Instructions

**Article I Name**

The name of the corporation may not contain any word or phrase that indicates or implies that it will conduct any business other than its authorized business, and the proposed corporate name must be distinguishable upon the records of the Commission. To check the availability of a name, visit [https://cis.scc.virginia.gov](https://cis.scc.virginia.gov), or contact the Clerk’s Office.

**Article II Members**

If the corporation will not have members, include a statement to that effect in the articles. If the corporation will have one or more classes of members, state the designation of each class and the qualifications and rights of the members of each class, including voting rights, or provide that such membership provisions will be set forth in the corporation's bylaws.

**Article III Director Selection**

The articles of incorporation must state how the corporation will elect or appoint its directors, as well as the designation of ex officio directors, if any. It is not sufficient for the articles to provide that the corporation will elect or appoint its directors as set forth in the bylaws. A director’s term is one year unless the articles provide for a different term, and the terms of groups of directors may be staggered by providing for this in the articles.

**Article IV Registered Agent**

The registered agent’s sole duty is to receive legal documents and notices on behalf of the entity. The corporation may not serve as its own registered agent. The registered agent must be an individual or entity that meets one of the qualifications. Check the applicable box.

**Article V Registered Office**

The registered office location must be identical to the registered agent’s business office.

- Only use a rural route and box number if the registered office’s location has no street address.
- Only use a post office box if (i) there is no street address or rural route and box number, or (ii) the town/city has a population of 2,000 or less.

Provide the name of the county or independent city where the registered office is physically located.

**Article VI Initial Directors**

A corporation can have directors immediately upon formation only if the articles name them. If the registered agent’s qualification is that of an initial director, then include all the initial directors and their addresses.

**Incorporator(s)**

One or more incorporators must sign the articles. Include the signature and printed name of each person who signs. If signing on behalf of an incorporator that is a business entity, include the business entity's name, your printed name, and your role within the business entity. Providing an entity phone number or email address allows for quicker communication if there is an issue with the filing.

**Personal Identification Number (PIN)**

Upon acceptance of this document for filing, an assigned PIN will be sent electronically to the business email address, if provided, or by regular mail to the registered office address for use by the corporation in future online transactions with the Clerk’s Office.
