Mr. Richard Schollmann  
Director of Legislative and Regulatory Affairs  
4510 Cox Rd, Ste 109  
Glen Allen, VA 23060

Dear Mr. Schollmann,

This acknowledges receipt of your letter dated April 20, 2015, submitting the proposed tariff page and some support documentation for determining that residential BLETS individual line service in the Bassett, Boones Mill, Collinsville, Fieldale, Front Royal, Rocky Mount, South Boston and Spencer exchanges meet the competitiveness test established by the Commission in its November 13, 2014, Order issued in Case No. PUC-2014-00034.

Following the receipt of additional supporting documentation on May 4, 2015, the pending 45 day Staff review of this filing is to be completed by Thursday, June 18, 2015. The effective date of the pending tariff page may need to be revised accordingly.

Very truly yours,

Chris Harris
