

STATE CORPORATION COMMISSION  
RECEIVED

JUL 02 2015

DIVISION OF COMMUNICATIONS  
RICHMOND, VA

July 2, 2015

Mr. William Irby, Director  
Division of Communications  
Virginia State Corporate Commission  
Tyler Building, 9<sup>th</sup> Floor  
1300 E. Main Street  
Richmond, VA 23219

Dear Mr. Irby:

The Final Order in Case No. PUC-201400034 adopted CenturyLink's proposed competitive tests and associated administrative process, as modified and clarified by the Staff in the Staff Report. Attached for filing under the administrative process is a proposed tariff and supporting documents for the following exchanges for Central Telephone Company of Virginia d/b/a CenturyLink: Axton, Bachelors Hall, Blackstone, Crozet, Farmville, Lacrosse, Luray, Natural Bridge, Rustburg, Shenandoah, South Hill and Stanardsville.

Please contact me if you have any questions or require additional information regarding this filing.

Sincerely,

A handwritten signature in black ink, appearing to read "Richard Schollmann", with a long horizontal line extending to the right.

Richard Schollmann

## **Competitiveness Test**

Axton Exchange

**Step A. A minimum of 75% of the households in the telephone exchange area can choose telephone service from among at least two (2) competitors to CenturyLink.**

This test is met by the combined coverage of a number of wireless competitors, including AT&T, nTelos, Sprint, T-Mobile, US Cellular and Verizon as well as by telephone service offered by Comcast.

**Step B. A minimum of two (2) of the competitors to CenturyLink in “Step A” must offer local telephone service that may be purchased by the household without a corresponding requirement to purchase non-telecommunications services from that competitor.**

This test is met by the combined coverage of a number of wireless competitors, including AT&T, nTelos, Sprint, T-Mobile, US Cellular and Verizon as well as by telephone service offered by Comcast.

**Step C. At least 50% of the households in the telephone exchange area can choose a facilities-based competitor that owns its own wireline facilities, leases UNE-loops from CenturyLink, or is a wireless communications provider that offers voice communications services.**

This test is met by the combined coverage of a number of wireless competitors, including AT&T, nTelos, Sprint, T-Mobile, US Cellular and Verizon as well as by telephone service offered by Comcast.

### **Competitive Test Under § 56-235.5(I)**

This exchange represents 1.1% of residential households in the Central Telephone territory.

## **Competitiveness Test**

Bachelors Hall Exchange

**Step A. A minimum of 75% of the households in the telephone exchange area can choose telephone service from among at least two (2) competitors to CenturyLink.**

This test is met by the combined coverage of a number of wireless competitors, including AT&T, nTelos, Sprint, T-Mobile, and Verizon as well as by telephone service offered by Comcast.

**Step B. A minimum of two (2) of the competitors to CenturyLink in “Step A” must offer local telephone service that may be purchased by the household without a corresponding requirement to purchase non-telecommunications services from that competitor.**

This test is met by the combined coverage of a number of wireless competitors, including AT&T, nTelos, Sprint, T-Mobile, and Verizon as well as by telephone service offered by Comcast.

**Step C. At least 50% of the households in the telephone exchange area can choose a facilities-based competitor that owns its own wireline facilities, leases UNE-loops from CenturyLink, or is a wireless communications provider that offers voice communications services.**

This test is met by the combined coverage of a number of wireless competitors, including AT&T, nTelos, Sprint, T-Mobile, and Verizon as well as by telephone service offered by Comcast.

### **Competitive Test Under § 56-235.5(I)**

This exchange represents 1.4% of residential households in the Central Telephone territory.

## **Competitiveness Test**

Blackstone Exchange

**Step A. A minimum of 75% of the households in the telephone exchange area can choose telephone service from among at least two (2) competitors to CenturyLink.**

This test is met by the combined coverage of a number of wireless competitors, including AT&T, Sprint, T-Mobile, and Verizon as well as by telephone service offered by Shenandoah Cable.

**Step B. A minimum of two (2) of the competitors to CenturyLink in “Step A” must offer local telephone service that may be purchased by the household without a corresponding requirement to purchase non-telecommunications services from that competitor.**

This test is met by the combined coverage of a number of wireless competitors, including AT&T, Sprint, T-Mobile, and Verizon as well as by telephone service offered by Shenandoah Cable.

**Step C. At least 50% of the households in the telephone exchange area can choose a facilities-based competitor that owns its own wireline facilities, leases UNE-loops from CenturyLink, or is a wireless communications provider that offers voice communications services.**

This test is met by the combined coverage of a number of wireless competitors, including AT&T, Sprint, T-Mobile, and Verizon as well as by telephone service offered by Shenandoah Cable.

### **Competitive Test Under § 56-235.5(I)**

This exchange represents 1.2% of residential households in the Central Telephone territory.

## **Competitiveness Test**

Crozet Exchange

**Step A. A minimum of 75% of the households in the telephone exchange area can choose telephone service from among at least two (2) competitors to CenturyLink.**

This test is met by the combined coverage of a number of wireless competitors, including AT&T, nTelos, Sprint, T-Mobile, US Cellular and Verizon as well as by telephone service offered by Comcast.

**Step B. A minimum of two (2) of the competitors to CenturyLink in “Step A” must offer local telephone service that may be purchased by the household without a corresponding requirement to purchase non-telecommunications services from that competitor.**

This test is met by the combined coverage of a number of wireless competitors, including AT&T, nTelos, Sprint, T-Mobile, US Cellular and Verizon as well as by telephone service offered by Comcast.

**Step C. At least 50% of the households in the telephone exchange area can choose a facilities-based competitor that owns its own wireline facilities, leases UNE-loops from CenturyLink, or is a wireless communications provider that offers voice communications services.**

This test is met by the combined coverage of a number of wireless competitors, including AT&T, nTelos, Sprint, T-Mobile, US Cellular and Verizon as well as by telephone service offered by Comcast.

### **Competitive Test Under § 56-235.5(I)**

This exchange represents 1.7% of residential households in the Central Telephone territory.

## **Competitiveness Test**

### Farmville Exchange

**Step A. A minimum of 75% of the households in the telephone exchange area can choose telephone service from among at least two (2) competitors to CenturyLink.**

This test is met by the combined coverage of a number of wireless competitors, including AT&T, Sprint, T-Mobile, US Cellular and Verizon as well as by telephone service offered by Shenandoah Cable.
