Dear Mr. Schollmann:

This letter acknowledges receipt of your letter dated December 17, 2014, submitting the proposed tariff page and support documentation for determining that residential BLETs individual line service in the Wytheville exchange meets the competitiveness test established by the Commission in its November 13, 2014, Order issued in Case No. PUC-2014-00034.

The pending 45 day Staff review of this filing is to be completed by Sunday, February 1, 2015, which is coincident with the effective date shown on the proposed tariff page.

Very truly yours,
