NOTICE OF INTENT TO ACQUIRE A SAVINGS INSTITUTION
OUTSIDE VIRGINIA PURSUANT TO § 6.2-1160 OF THE CODE OF VIRGINIA

INFORMATION AND INSTRUCTIONS

This notice is to be filed when (a) a Virginia savings institution or a Virginia savings institution holding company or (b) an out-of-state savings institution or an out-of-state savings institution holding company that controls a Virginia savings institution seeks to acquire a financial institution outside Virginia by any of the means allowed by Title 6.2, Chapter 11, Article 5 of the Code of Virginia. The State Corporation Commission is directed to disapprove such a proposed acquisition if within a 30-day period (which may be extended to 45 days) it determines that the acquisition could affect detrimentally the safety or soundness of a Virginia savings institution. This form is designed to elicit the minimum information needed by the Commission to make such a determination. Additional information may be required in some cases, and the right to request such information is hereby reserved. This form is not intended to limit the presentation of the proposals, and the applicant may submit any additional information it considers pertinent. Additional information and documents must be submitted on 8½" x 11" paper.

The following documents must be submitted with the application:

1. A check for $7,000 payable to the Treasurer of Virginia.

2. A copy of related applications and documents filed or to be filed with federal and other state agencies.

3. Proxy statement(s), if available.

4. The executed acquisition or merger agreement. If not available, provide a description of the proposed transaction.

5. Most recent reports filed with the Securities and Exchange Commission for the applicant and the institution to be acquired. Copies of annual financial statements (audited if available) for the last three years for both the applicant and its parent, if any, and of the savings institution to be acquired and its parent, if any.

The Bureau will review the application and accompanying materials for completeness upon receipt. Investigation of the application may be delayed if the application is incomplete. Thus, full and complete answers should be given at the outset of the application process.

As a general rule, documents filed with the Bureau of Financial Institutions become part of the public record. Upon request, the Bureau will consider for confidential treatment any documents or portions of the application that the applicant considers of a proprietary and personal nature. The request for confidential treatment must discuss the justification for the requested treatment, specifically demonstrating the harm (for example, loss of competitive position or invasion of privacy) that may result from public release of the information. Information for which confidential treatment is requested should be: (1) specifically identified in the public portion of the application (by reference to the confidential section); and (2) specifically separated and labeled "Confidential". The Bureau will advise the applicant if the request for confidentiality cannot be honored.
