

**VAEDT
MINIMUM TEST COMPONENTS**

Test Component	Created By	Transaction	Description
1	CSP	814E	Enrollment- CSP sends enrollment request with an invalid LDC customer account number.
	LDC	814ER - Reject	Enrollment Response- LDC will send back a response rejecting the enrollment due to an invalid account number.
2	CSP	814E & HU	Enrollment - CSP sends request for enrollment and historical usage.
	LDC	814ER - Accept	Enrollment Response - LDC sends back a response, accepting the enrollment and historical usage request.
3	LDC	867HU	Historical Usage - LDC sends back 867HU.
	CSP	814HU	Historical Usage - CSP sends standalone request for historical usage. (This is optional.)
	LDC	814HU - Accept	Historical Usage Response - LDC sends back response accepting the historical usage request.
4	LDC	867HU	Historical Usage - LDC sends back 867HU.
	CSP	814D	Drop - CSP sends drop request.
5	LDC	814DR - Accept	Drop Response - LDC sends back response accepting the drop.
	LDC	814D	Drop - LDC sends drop request.
6	CSP	814DR - Accept	Drop Response - CSP sends back response accepting the drop.
	LDC	814R	Reinstatement - LDC sends reinstatement request.
7	CSP	814RR - Accept	Reinstatement Response - CSP sends back response accepting the reinstatement.
	CSP	814C	Change - CSP sends a change request.
8	LDC	814CR - Accept	Change Response - LDC sends back response accepting the change.
	LDC	814C	Change - LDC sends a change request.
9	CSP	814CR - Accept	Change Response - CSP sends back response accepting the change.
	LDC	867MU	Monthly Usage- LDC sends monthly usage.
10	LDC	867MU Cancel	Cancel Monthly Usage- LDC sends cancellation of previous monthly usage.
	LDC	867MU Rebill	Monthly Usage - LDC sends new original 867 MU with new usage for previously cancelled billing period.
11	LDC	867IU	Monthly Interval Usage - LDC sends monthly interval usage.
	LDC	867IU Cancel	Cancel Monthly Interval Usage - LDC sends cancellation of previous interval usage.
	LDC	867IU Rebill	Monthly Interval Usage - LDC sends new original 867IU with new usage for previously cancelled billing period.
12	CSP	810BR	Bill Ready Billing - CSP sends bill ready invoice and LDC produces customer bill statement.
	CSP	810BR Cancel	Cancel Bill Ready Billing - CSP sends cancellation of a previous bill ready invoice.
	CSP	810BR Rebill	Bill Ready Billing - CSP sends new original invoice with new charges for previously cancelled invoice.
13	LDC	824 - Reject	Rejected 810BR - LDC sends 824 rejecting 810BR.
	LDC	810RR	Rate Ready Billing - LDC sends 810RR with rate ready calculations.
14	LDC	810RR Cancel	Cancel Rate Ready Billing - LDC sends 810RR cancellation of previous rate ready billing.
	LDC	810RR Rebill	Rate Ready Billing - LDC sends new original 810RR with rate ready calculations.
15	LDC	820 Payment	Customer Payment - LDC sends payment detail reflecting CSP portion of customer payment processed.
	LDC	820 Reversal	Customer Payment Reversal - LDC sends payment reversal due to NSF etc.
16	LDC	248	Chargeoff - LDC sends chargeoff notification (LDC no longer pursuing collection)
The following Test Plans apply only to CSP Consolidated Billing			
17	CSP	814E	CSP Enrollment for CSP Consolidated Billing
	LDC	814ER - Accept	Enrollment Response - LDC sends back a response, accepting the enrollment.
	LDC	867MU/867IU	LDC sends monthly usage and charges to supplier (suggest LDC has outstanding balance also)
	CSP	Bill	CSP creates bill, and shows to LDC
	CSP	Payment	CSP applies customer payment, informs LDC
	LDC	867MU/867IU	LDC sends second monthly usage and charges to supplier
	CSP	Bill	CSP creates bill, and shows to LDC
18	CSP	814E	CSP Enrollment for CSP Consolidated Billing
	LDC	814ER - Accept	Enrollment Response - LDC sends back a response, accepting the enrollment.Customer on payment plan.
	LDC	867MU/867IU	LDC sends monthly usage and charges to supplier
	CSP	Bill	CSP creates bill, and shows to LDC
	LDC	Payment	LDC applies customer payment
	LDC	867MU/867IU	LDC sends second monthly usage and charges to supplier
	CSP	Bill	CSP creates bill, and shows to LDC
19	CSP	814E	CSP Enrollment for CSP Consolidated Billing
	LDC	814ER - Accept	Enrollment Response - LDC sends back a response, accepting the enrollment.Customer on payment plan.
	LDC	867MU/867IU	LDC sends monthly usage and charges to supplier
	CSP	Bill	CSP creates bill, and shows to LDC
	LDC	867MU/867IU	LDC cancels/rebills Month 1 and sends usage and charges to supplier
20	CSP	Bill	CSP creates bill, and shows to LDC

Note 1: LDC's that have multimeter accounts should be sure to include those in their test plans.

Note 2: To see actual test plans of VA LDC's, visit their websites.
