## *Virginia Health Benefit Exchange* **Nondiscrimination Policy**

It is the policy of the Virginia Health Benefit Exchange (Exchange) to comply with applicable federal statutes regarding nondiscrimination on the basis of race, color, national origin, age, disability, or sex in Exchange programs and activities. It is also the policy of the Exchange to comply with applicable state statutes.

The Exchange was established as a division of the State Corporation Commission (SCC) on July 1, 2020. The Exchange is overseeing Virginia's transition to a new state-based health benefit exchange. The Exchange is currently operating as a state-based exchange on the federal platform (SBE-FP) during this comprehensive, multi-year effort.

While operating as an SBE-FP, the Exchange relies on federal platform policies and practices to safeguard against discrimination in health insurance determinations and practices.
