To: All Licensed Property and Casualty Insurers and Rate Service Organizations

Re: Withdrawal of Administrative Letters 1985-5, 1985-17, 1990-11, and 1993-11

The State Corporation Commission Bureau of Insurance is advising all licensed property and casualty insurers and rate service organizations that the following administrative letters either contain filing-related requirements that are no longer applicable or, in the case of Administrative Letter 1985-17, the filing-related requirement has been addressed in a subsequent administrative letter:

Administrative Letter 1985-5 – The filing requirement established by this letter is no longer applicable.

Administrative Letter 1985-17 – This letter duplicates information that is contained in another administrative letter. Refer to Administrative Letter 1998-12 for the most current information on this topic.

Administrative Letter 1990-11 – The filing requirement established by this letter is no longer applicable.

Administrative Letter 1993-11 - The requirement to use the prescribed readability certification, Form VA-CIU, is no longer applicable. Insurers should refer to § 38.2-233 of the Code of Virginia for the regulatory requirements applicable to readability and disclosures for credit involuntary unemployment insurance.

Consequently, Administrative Letters 1985-5, 1985-17, 1990-11, and 1993-11 are hereby withdrawn.
