Administrative Letter 2012-03

To: All Insurers Licensed in Virginia and Other Interested Parties

Re: Implementation of Search Options for Rate and Form Submissions and Establishment of Additional Filing Requirements

In accordance with our ongoing efforts to educate and inform Virginia's insurance consumers, we will soon launch a new website function for viewing information about rate and form submissions on file with the Bureau of Insurance (the Bureau). The purpose of this administrative letter is to apprise all carriers and interested parties of the availability of this new function, and to notify carriers of additional filing requirements that will be necessary in order to display clear and succinct information through this new website application. We anticipate this new functionality, which will consist of two separate search options described below, to be available on or around May 1, 2012. **Additional filing requirements described further in this letter are effective immediately.**

The following two search options, which will be accessed through the link also shown below, will be provided to users of this new website function:

www.scc.virginia.gov/boi/SERFFInquiry/

Search Option 1 - Public Access to General Information about Rate and Form Submissions:

General information about submissions filed with the Bureau will be available through this search option, but direct access to the rates or forms will not be included. It will still be necessary to contact the Bureau for copies of publicly available rates and forms.

Search Option 2 - Public Access to PPACA Forms and Rates and Associated Supporting Documentation:

Rates and forms associated with accident and sickness insurance products that are subject to the requirements of the federal Patient Protection Affordable Care Act (PPACA), along with related supporting documentation, will be available for viewing through this option.

Additional Filing Requirements

In order to ensure that there is meaningful information available to the public, additional filing requirements have been established for the Filing Description section in SERFF. Any SERFF submission that does not include a properly completed Filing Description will be **rejected**. Filings submitted via mail must also contain this information or the submission will be **rejected**. The required information is listed below:

- *All submissions* filed with the Life and Health Division or the Property and Casualty Division must provide a brief summary of the filing, including a statement describing whether the materials in the filing are new, revisions of existing materials or are additional materials that will be used with previously filed or approved rates or forms in Virginia.

- *All rate submissions* filed with the Life and Health Division involving a rate change must include (i) a statement regarding whether the change is an increase, decrease, or revision of former rates, (ii) the percentage amount(s) of the change(s), (iii) the number of affected policyholders, and (iv) the reason for the proposed change(s).
- *All form submissions* filed with the Life and Health Division must include (i) a description of each form (i.e., form name, title, and edition date) and the intended use of the form, (ii) identification of any change in benefits and premiums which occurs while the form is in force with a reference to the contract provisions which describe the benefit change, (iii) to the extent practicable, the SERFF or State Tracking number of the approved form that the new form revises or replaces, or the SERFF or State Tracking number of the approved form(s) with which the new forms will be used, and (iv) a statement as to whether any other regulatory body has withdrawn approval of the form because the form contains one or more provisions that were deemed to be misleading, deceptive or contrary to public policy.
