Except as permitted or required by law, the following shall be kept confidential: Personal Financial Report and Disclosure Statements, other documents which disclose personal account information; and information which could endanger the safety and soundness of a depository institution. Upon request, the Bureau will consider for confidential treatment any other documents or portions of the application that the applicant considers of a proprietary and personal nature. The request for confidential treatment must discuss the justification for the requested treatment, specifically demonstrating the harm (for example, loss of competitive position or invasion of privacy) that may result from public release of the information. Information for which confidential treatment is requested should be: (1) specifically identified in the public portion of the application (by reference to the confidential section); and (2) specifically separated and labeled "Confidential".
