RE: Mary Picket Craddock DBA Oak Grove Plantation Solar Photovoltaic System

Dear William F. Stephens:

The purpose of this letter is to inform the State Corporation Commission (SCC) of the intention of Southern Energy Management to construct an electric generating facility for Mary Picket Craddock DBA Oak Grove Plantation in the Commonwealth of Virginia. Pursuant to 20VAC5-302-10, this letter shall set forth the location, size and fuel type of the facility.

Location: 1245 Cluster Springs Rd.
South Boston, VA 24592
Size: 3.92 kW DC (STC)
Fuel Type: Solar

This facility will comply with all other requirements of federal, state and local law. Please contact me for anything further at SolarAdmin@southern-energy.com.

Sincerely,

Jennifer Posek
