DIVISION OF ENERGY REGULATION  
STATE CORPORATION COMMISSION

October 18, 2010

William F. Stephens  
Director of the Division of Energy Regulation  
Commonwealth of Virginia State Corporation Commission  
P.O. Box 1197  
Richmond, Virginia 23218

RE: Solar Photovoltaic System on EMU Library Building

Dear William F. Stephens:

The purpose of this letter is to inform the State Corporation Commission (SCC) of the intention of Community Solar LLC to construct an electric generating facility in the Commonwealth of Virginia. Secure Futures LLC serves as the member manager of Community Solar LLC. This facility will comply with all other requirements of federal, state and local law. Pursuant to 20VAC5-302-10, this letter shall set forth the location, size and fuel type of the facility.

Location: Eastern Mennonite University  
1200 Park Road  
Harrisonburg, VA 22802

Size: 104.3kW DC (STC)

Fuel Type: Solar

If additional information is needed you may contact Julia Johnson with Southern Energy Management, Inc, the installer, at (919) 836-0330 or [julia@southern-energy.com](mailto:julia@southern-energy.com) or Anthony Smith with Secure Futures, LLC at (540) 255-1404 or [tony@securefutures.us](mailto:tony@securefutures.us).

Sincerely,

COMMUNITY SOLAR LLC
