

HEXAGON  
ENERGY

June 11, 2018

William F. Stephens  
Director of the Division of Energy Regulation  
P.O. Box 1197  
Richmond, VA 23238

Dear Mr. Stephens,

Pursuant to 20VAC5-302-10 and on behalf of Ash Camp Solar, LLC, please accept this letter as notice to the Virginia State Corporation Commission of the intent to construct the 2,000 kW<sub>DC</sub> (1,620 kW<sub>AC</sub>) Ash Camp Solar facility. The facility will be located at 37°00'28.3"N latitude, 78°36'04.9"W longitude off Gethsemane Church Avenue in the town of Drakes Branch, Virginia. The fuel source for this project will be sunlight. This facility will comply with all federal, state, and local laws.

Sincerely,

A handwritten signature in black ink, appearing to read "Adam Ventre".

Adam Ventre  
Development Manager  
Hexagon Energy
