An amendment to the statement of registration of a Virginia or foreign registered limited liability partnership is to be filed with the Commission not later than thirty days after (i) a change in the name of the partnership or (ii) the partnership has knowledge that a material statement in the statement of registration was false or inaccurate when made or that any facts described therein have changed, making the statement of registration inaccurate in any material respect. An amendment to the statement of registration may be filed for any other proper purpose. See § 50-73.136 D of the Code of Virginia.

If the amendment provides for a change in the address of the principal office, the address must include a street and number, if any. A rural route and box number may only be used if no street address is associated with the principal office's location. A post office box is only acceptable for towns/cities that have a population of 2,000 or less when no street address or rural route and box number is associated with the principal office's location.

The person who files this statement must promptly send a copy of the statement to every nonfiling partner and to any other person named as a partner in the statement. See § 50-73.83 E of the Code of Virginia.

A person signing on behalf of a partner that is a business entity should set forth the business entity's name, his or her printed name, and the capacity in which he or she is signing on behalf of the business entity. Any person may execute a statement by an attorney-in-fact. See § 50-73.83 C of the Code of Virginia.

It is a Class 1 misdemeanor for any person to sign a document he or she knows is false in any material respect with the intent that the document be delivered to the Commission for filing. See § 50-73.83 C of the Code of Virginia.
