\_\_\_\_\_  
SCC I.D.# \_\_\_\_\_

-TO THE-

**STATE CORPORATION COMMISSION OF VIRGINIA**

FOR THE YEAR 2017

This report must be filed in **Duplicate** with the State Corporation Commission annually,  
on or before the **Fifteenth Day of April**.

## INSTRUCTIONS FOR FILING THE ANNUAL TAX REPORT OF ELECTRIC COMPANIES

1.	All reports are due in this office no later than April 15 of each year. Failure to file on time may result in a show cause order against your company with a fine up to \$100 per day until the report is filed according to § 58.1-2610 of the Code of Virginia.
2.	See Enclosure: Real Estate Transaction Form.  Use this form for reporting any land transactions which have occurred and have not been reported. Please complete this form IMMEDIATELY and return to this office no later than January 31st.  This office should be notified with this information as soon as the transaction occurs. Providing this information promptly will allow a reasonable amount of time to determine the fair market value and report it back to you for inclusion in the annual tax report.
3.	Land and non-utility properties are to be reported using the Fair Market Values as provided by this office. All other property owned is to be reported at Original Cost.
4.	Follow the Uniform Systems of Accounts where applicable, however, this Division may require additional backup data for property not reported in the FERC Operating Report or the RUS Form 7 which is filed with the SCC Utility Accounting Division.
5.	Merchant Plants are to return copies of their balance sheets, trial balances, and plant asset records by accounts or descriptions for purposes of being able to verify the dollars returned in the annual tax report.
6.	On Schedules 1 through 14 make sure that all property is listed alphabetically, Cities first then Counties and Towns. Also indicate the district, if any, in which the property is located (Refer to your copy of the District Codes and include those codes in the columns provided on each page of the Tax Report.) Remember to consolidate Annexed Areas after the first year.
7.	Contributions In Aid of Construction: This account shall include donations or contributions in cash, services, or property from states, municipalities, or other governmental agencies, individuals, and others for construction purposes.  The enclosed reporting form is to be completed as a part of your tax report and the dollars in each account are to be included in the proper schedules of this report.  Note: There shall not be included in these accounts advances for construction which are ultimately to be repaid wholly or in part.
8.	Completed Construction Not Classified - (Account 106)  For the purpose of reporting to the Commission the classification of electric plant in service by accounts is required. The utility shall also report that balance in this account tentatively classified as accurately as practicable according to prescribed account classifications. The purpose of this provision is to avoid any significant omissions in reported amounts of electric plant in service.

9.	Properties Exempt from Taxation:  § 58.1-1101 of the Code of Virginia exempts computer software from taxation when designed to be read by a computer and to enable it to perform specific operations with data or information stored by the computer. Therefore, when filing your Tax Report your company will be allowed to deduct the software cost from any accounts in which the above requirements are met. All schedules should be footnoted as to the accounts and amounts being deducted.  § 58.1-3660 of the Code of Virginia exempts certified pollution control equipment and facilities, as defined in the section, from taxation. Please report all certified pollution control equipment in Schedule 13 of this report for assessment and the exemption will be noted on the final assessment statement. Please provide this office with any required certifications applicable to the reported certified pollution control equipment.
<b>GUIDELINES FOR THE FILING OF COMPUTER GENERATED ANNUAL TAX REPORTS</b>	
A.	The entire report must be computerized and be the same size paper from cover to cover.
B.	The tax report is to be legal size (8 1/2" x 14").
C.	The paper used should be of archival quality to ensure the preservation of the tax report as long as possible in its original form.
D.	Your computer generated form must follow the format of the tax reports that are mailed from this office to you on January of each year. The format must be exactly like each schedule, column for column, and line for line. All columns must be labeled with their respective headings such as (A), (B), etc.
E.	The duplicate copy of the computer generated tax report does not have to be of the same size and quality as the original computer generated copy that has to be filed.
F.	Please remember, that the computer generated tax report is offered to you as an option and is NOT a requirement. If you should decide to exercise this option you are asked to submit a sample for our review.
G.	A computer generated copy of the annual tax report in both PDF and Excel format can be found on our website at ( <a href="http://www.scc.virginia.gov/pst/forms.aspx">http://www.scc.virginia.gov/pst/forms.aspx</a> ).
